

**ENVIRONMENTAL CLEANING SERVICES,
PROJECT ES16-029
October 5, 2015
ADDENDUM #1**

The attached constitutes additional information and serves to clarify issues (considered to be part of the City of Victorville (“Environmental Cleaning Services, Project ES16-029”).

Should you have any questions, please feel free to contact Elizabeth Salcido, Purchasing Technician at (760) 243-6371, Fax (760) 269-0045, or email: esalcido@ci.victorville.ca.us.

QUESTIONS & ANSWERS:

1. **Question:** Are there any other specification requirements for the Brake Washer, Parts Washer and the 40 gallon tank for the spray cabinet?
Answer: No. The specifications noted on Page 3 and 4, Bid Proposal, are the only specifications provided.
2. **Question;** Are the current Brake Washer, Parts Washer and the 40 gallon tank for the spray cabinet, spray type, Basin (sink) type or basin over drum?
Answer: They are basin over drum.
3. **Question:** Is there any preference in the cleaning solutions for these items?
Answer: No preference as long as it is a Aqueous Solution and is safe for automotive parts cleaning and requires basic PPE (Personal Protective Equipment).
4. **Question:** Item 1 - Is the City responsible for recycling oil or is this to be done by the service provider?
Answer: By service provider
5. **Question;** On item 17, Manifest, is the service provider to provide the information only, or also complete the manifest?
Answer: The service provider is to complete the manifest.
6. **Question:** Is this a prevailing wage job?
Answer: No.
7. **Question:** Is the waste oil coming from the City’s “Household Hazardous Waste Roundup”?
Answer: The oil that will be picked up is coming from City of Victorville fleet vehicles only.

REVISIONS

Page 3, Item 10, Unit of Measure, should be a 5 gallon drum in lieu of 55 gallon drum noted. Bidders shall replace page 3, Bid Proposal Sheet with the attached Addendum 1 revision.
