DEVELOPMENT ADVISORY

Effective January 1, 2017
New codes to be enforced in the State of California

Effective Date and Application of the 2016 Code

January 1, 2017 is the statewide effective date established by the California Building Standards Commission for the 2016 California Building Standards Code.

The 2013 California Building Standards Code remains in effect and is applicable to all plans and specifications, for, and to the construction performed under that building permit where the application for a building permit is submitted to the local jurisdiction on or before December 31, 2016.

Stock Plans approved under previous codes will become void on the effective date of these new codes and will require a full re-submittal of all plans and calculations.

If you have any questions, please do not hesitate to call the Development Department at (760) 955-5100.

Respectfully,
