Section 1 – Financial Information and Summaries

City of Victorville
Introduction
Fiscal Year 2009-2010

The Budget presents the forecasted results of revenues and expenditures for the City resulting from the general economic position of the City and from allocation decisions made by, or approved by the City Council. As such, it serves as the foundation for the City's financial planning and control. The City requires that the City Manager present the Budget to the City Council for its approval annually (see Section 6, Appendix for adopting resolutions). The Finance Division is responsible for overseeing the preparation of the Budget.

Basis of Accounting/Budgeting

The City uses fund accounting to ensure and demonstrate compliance with all governmental accounting related requirements. A fund is defined as a separate accounting entity with a self-balancing set of accounts recording cash and other financial resources together with related liabilities. Each fund is established for the purpose of accounting for specific activities in accordance with applicable regulations, restrictions or limitations. The City of Victorville has three types of funds:

- Governmental Funds – Account for the funds through which most governmental functions are typically financed and are often referred to as "source and use" funds. The fund types included in this category are General, Special Revenue, Capital Projects, Debt Service, and Special Assessment funds.
- Proprietary Funds – Account for and record operations similar to those found in a business, such as Enterprise funds and Internal Service funds.
- Fiduciary Funds – Account for resources held by the City but belonging to other entities and may include trusts and agency funds.

The City of Victorville's accounting records are maintained in accordance with Generally Accepted Accounting Principles. Governmental fund types such as General Funds and Special Revenue Funds are maintained on a modified accrual basis of accounting. Proprietary fund types such as Enterprise funds are maintained on an accrual basis.

The Budget for all funds and entities has been prepared on a cash basis. This means that revenues and expenditures are assigned to the period into which the City expects to receive or disburse cash.

As defined by the Governmental Accounting Standards Board, this Budget includes the transactions of the legal entities over which the City Council of the City of Victorville has authority and consist of the City of Victorville (City), Victorville Water District (Water District), Victorville Redevelopment Agency (RDA), Southern California Logistics Airport Authority (SCLA) and Victorville Library (Library).

Budgetary Control

The level of appropriated budgetary control is at the departmental level. The City Manager may authorize transfers of appropriations within a department. Expenditures may not legally exceed total departmental appropriations. The City maintains an encumbrance accounting system as another technique of accomplishing budgetary control. Under this system, unexpended or unencumbered appropriations lapse at the end of the fiscal year. Encumbered appropriations are re-appropriated in the ensuing year's budget.

Cost Allocations

For the second year, the Budget includes cost allocations. Cost allocations in the FY 09-10 budget are based upon a cost allocation study prepared by an outside consultant utilizing OMB A-87 guidelines. The cost allocation plan is designed to reflect the true costs of operating the city's internal service departments.

City of Victorville
Reader's Guide to the Budget
Fiscal Year 2009-2010

The Budget document is divided into six separate sections; a table of contents is located at the beginning of the document for easy reference.

- Section 1, entitled Financial Information and Summaries, contains financial information to assist the reader in obtaining a general overview of the Budget. The *Revenues by Fund* and *Expenditures by Fund* summaries are grouped in accordance with the legal entity to which they belong; City, Water District, RDA, SCLAA and Library, and then listed in fund number order within each grouping. The total budget for each legal entity is listed at the bottom of each grouping and a combined total of all legal entities in the bottommost right hand corner.

  The *Revenue Sources, Uses and Estimates* along with *Revenue Forecast Assumptions* are also provided in this section to assist the reader as the *Estimated Revenues by Fund* neither define the sources of revenues nor how they are estimated. The *Estimated Expenditures by Fund* consolidates information from both the fund and department level budgets in subsequent sections and makes it easier for the reader to determine if the appropriations are for general operations or other purposes. This section also includes graphs outlining revenues by type and expenditures by activity.

- Section 2, entitled, Fund Summaries, provides *Revenues and Expenditures by Fund* that are grouped in accordance with the legal entity to which they belong, and then in fund number order within that group. The appropriations from the department summaries are consolidated into the appropriate fund at this level.

- Section 3, entitled Department Summaries, provides operating detail for the various funds at the department level and are separated into the categories of general government, public safety, public works, community services, assessment districts, economic development, and water. The function of the department budgets are to show the authorized spending levels for each department for which the Department Head is responsible to monitor, evaluate, and maintain control over.

- Section 4, entitled Capital Improvement Plan (CIP), represents the City's five year CIP program and provides a summary page for all funding sources along with detailed pages for each project category (i.e. streets, sewer, signals, et al) that lists the project name, funding source, and adopted appropriations for the current fiscal year and planned appropriations for four ensuing years.

- Section 5, entitled City Organization and Staffing, provides a *Department Organization Chart,* a list of the number of fulltime staff by department, and a summary of staffing city-wide.

- Section 6, entitled Appendix, contains resolutions adopting the annual Budget for each legal entity, the resolution adopting the annual Appropriations Limit, and a Glossary.

City of Victorville
Economic and Community Profile
Fiscal Year 2009-2010

History and Location

The City was first named Victor after railroad pioneer Jacob Nash Victor (1835-907). Jacob Nash's major accomplishment was bringing the second transcontinental railroad to the United States, giving the Santa Fe Route a Pacific coast terminal. His job as a General Manager of the California Southern Railway was to construct 30 miles of washed-out track from Fallbrook to San Diego. In 1883, he cut through the Southern Pacific tracks at Colton, thereby linking San Bernardino to the coast. In 1885 he drove the first engine through the Cajon Pass, signaling the linkage of San Bernardino and Barstow.

The name Victor was short lived, however, because there was another community in West Colorado Springs that had the same name. Mail addressed to individuals living in Victor, California was often sent to Victor, Colorado. In 1901, Nettie Turner, postmistress of Victor, California, petitioned the federal government to change the name of California's Victor to Victorville.

Victorville is situated approximately 97 miles northeast of Los Angeles and 35 miles northeast of San Bernardino in the Victor Valley. The City is also located north of the San Bernardino Mountains, at the southern end of the Mojave Desert. Interstate 15 and Highway 18 intersect near the heart of the City and State Highway 395 borders the City to the west. Major trucking and rail routes run through the area. Victorville is conveniently located close to Southern California Logistics Airport and within 30-40 minutes drive of the Ontario International Airport. The Victor Valley includes the communities of Adelanto, Apple Valley, Hesperia, Lucerne Valley, Oak Hills, Phelan, Victorville and Wrightwood. Victorville is the business hub of the Victor Valley and draws consumers from well beyond its immediate area. It is the largest commercial center between San Bernardino and Las Vegas, Nevada.

Organizational Structure

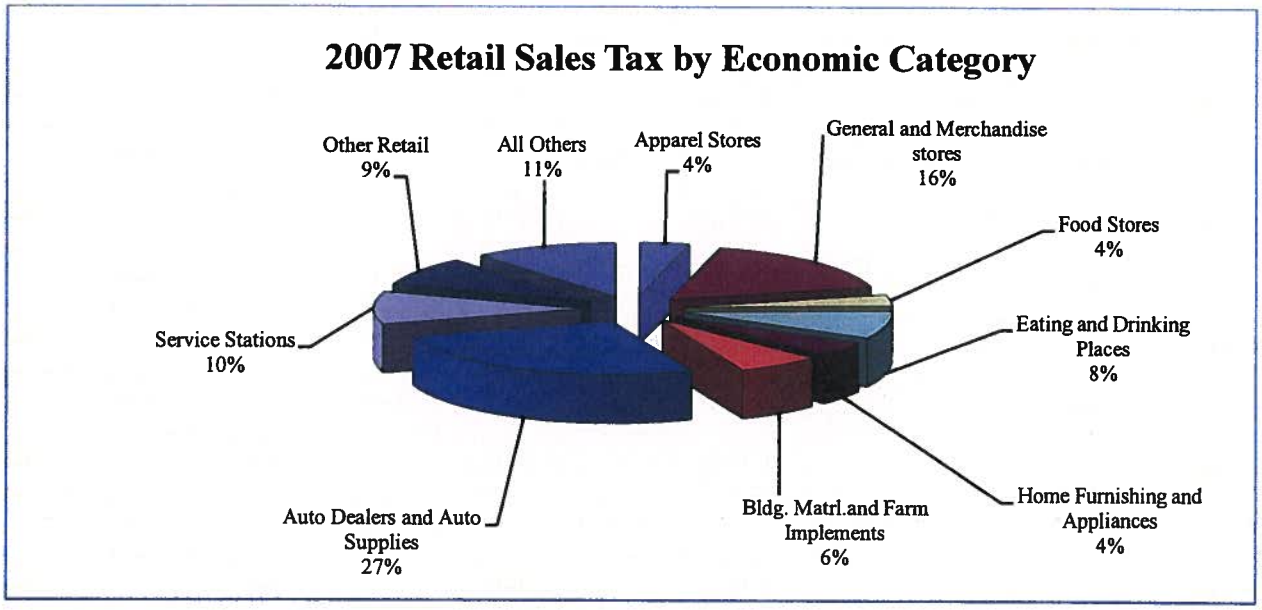
The City of Victorville was originally incorporated as a general law city on September 21, 1962 and reorganized as a charter city on July 18, 2008. The City operates under a Council-Manager form of government. The City Manager is responsible for the efficient implementation of Council policy and effective administration of all City government affairs. The elective officers of the City consist of a City Council of five members, one of which serves as mayor. The members of the City Council are elected from the City at large.

The City employs 394 full time employees and is organized into 10 departments (see Section 5, City Organization and Staffing), each responsible for managing its own operating budgets together with any assigned special funds or projects. Through these departments, the City provides a full range of services, including public safety, highways and streets, sanitation, parks and recreation, aviation, municipal utilities (water, electric and gas), public improvements, planning and zoning, community development, and general administrative services. In addition to these governmental activities, the City Council has legal authority over of the City's

Redevelopment Agency; the Southern California Logistics Airport Authority; the Southern California Logistics Rail Authority; the Victorville Water District; and the Victorville Library.

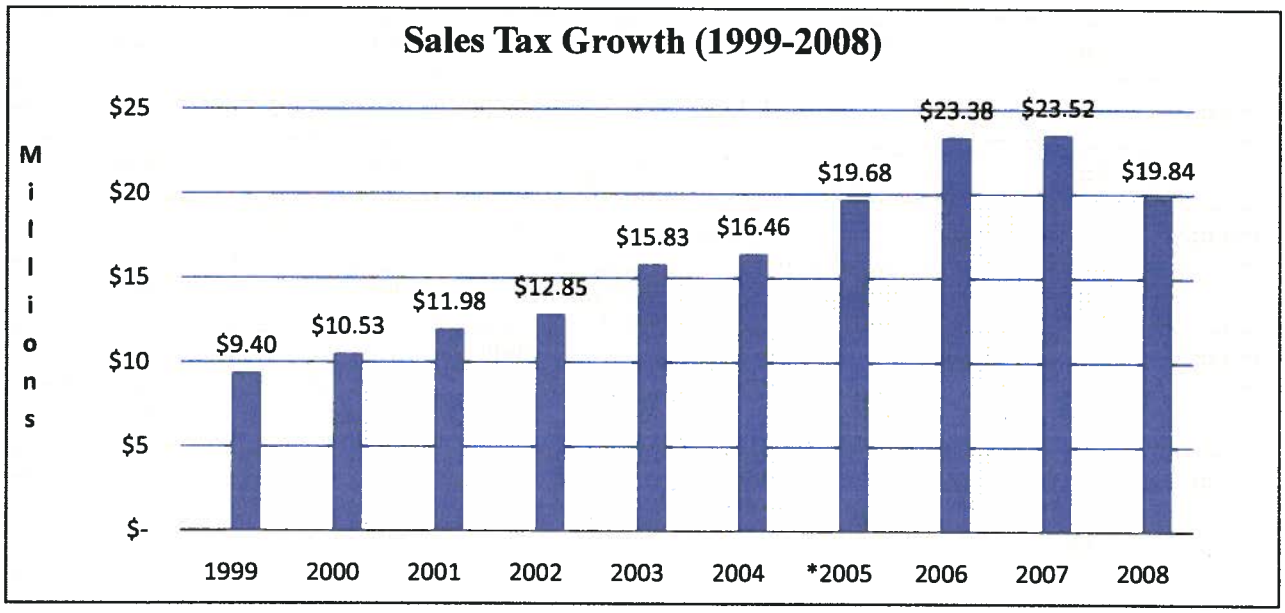
Economic and Community Profiles

The City's location adjacent to Interstate 15, State Highway 18 and State Route 395, together with abundant land available for development, it is one of the most desirable locations in the Victor Valley for businesses and individuals. The economic community is a vital mix of retail shopping, restaurants, service businesses, hotels and public services. Within the City, there are approximately 6,550 acres zoned for commercial use, with approximately 75% remaining for development. The City is home to the only regional mall located in the Victor Valley anchored by such big box tenants as JC Penney and Sears. The mall includes over 100 stores and specialty shops including the latest tenant, the 70,000 square foot Forever 21 anchor. Other major retail projects currently under development include Desert Sky Plazas anchored by a Home Depot and Winco Foods along with restaurants, bank branches and other specialty stores. Victorville also offers other retail for consumers such as auto dealerships. In 2007, the City of Victorville's Redevelopment Agency partnered with several dealerships to create the Auto Park at Valley Center which includes seven dealerships and 12 franchises. Victorville Mazda, Valley-Hi Honda and Victorville Nissan are currently under construction at the Auto Park. The revenue received from auto sales rank the highest in the economic category, their sales tax receipts of $51.8 million contributed a total of 27% to the City's taxable revenue.



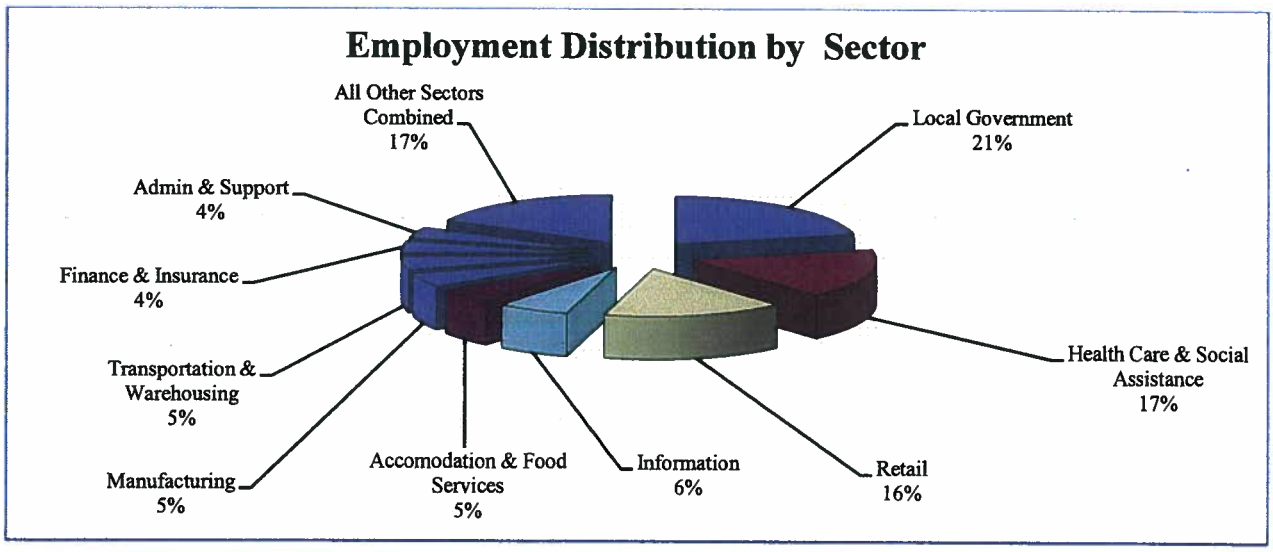
Source: Taxable Sales in California (Sales & Use Tax) During 2007, Forty-Seventh Annual Report

The growth in sales tax revenues evened out in 2007, following significant growth during the period of 1999-2006. As presented in the following table, sales tax revenues declined in 2008 resulting from the recession, job losses, the housing market collapse, and sales tax shifts to other Victor Valley cities that have increased their retail market share through retail development.



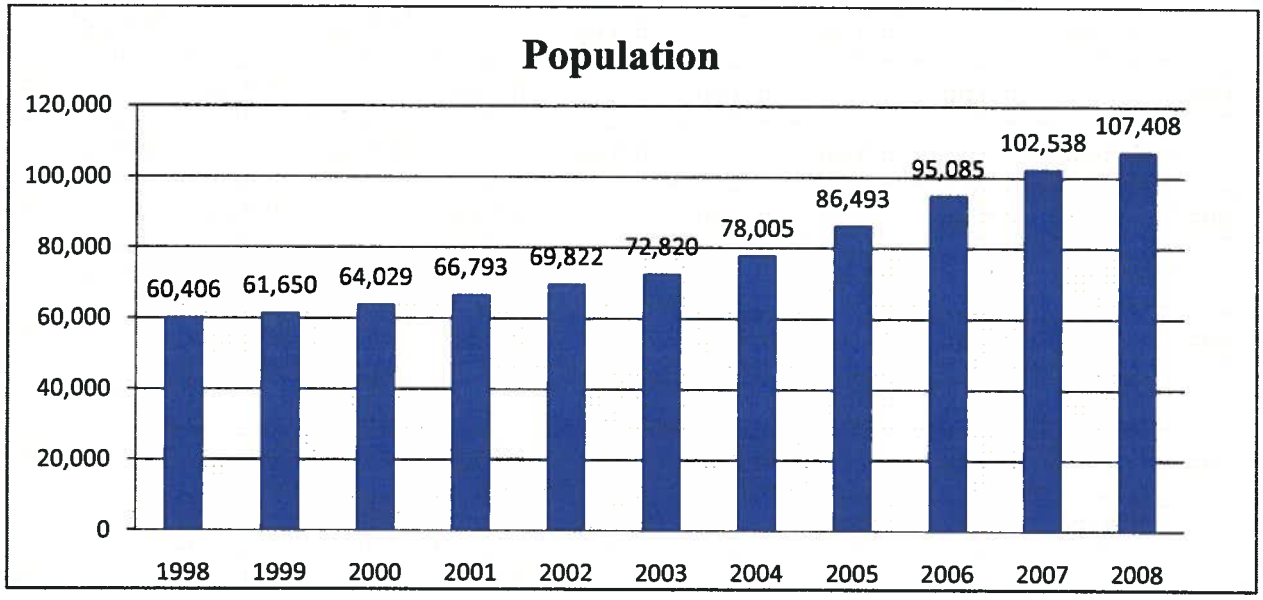
Source: City of Victorville, Finance Division (Includes Annual Triple Flip adjustments beginning in 2005)

Most of the City's employment is in service-related businesses, with 16% of businesses in the City classified in the retail sales category. These businesses provide the City with a sales tax revenue base that is used to provide municipal services such as general government, public safety, public works, and parks and recreation. The following table represents a summary employment by sector:



Source: State of California – Economic Development Department, Labor Market Information – Quarterly Census of Employment and Wages 2008

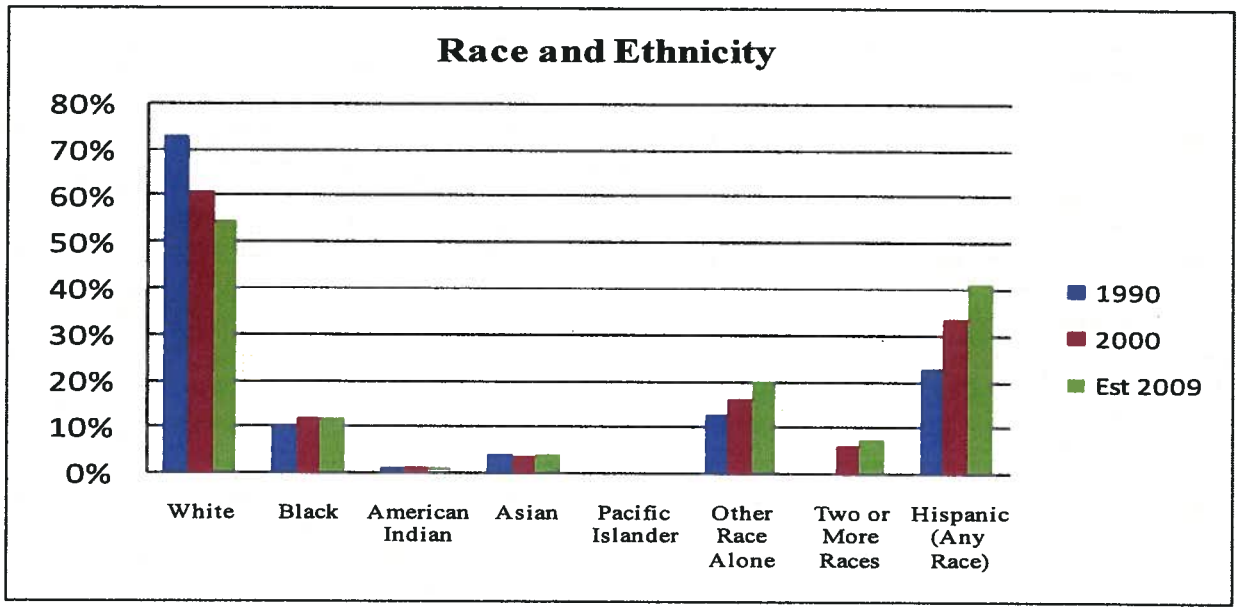
The City's population continues to grow steadily, rising from 60,406 in 1998 to an estimated 110,630 in 2009. The U.S. Census Bureau listed Victorville as the second fastest growing city in the nation in 2008 with its population growing 9.5% from July 1, 2006 to July 1, 2007. The availability of affordable housing, along with good schools and easy access to Interstate 15 have contributed to the City's position of being a bedroom community servicing the Inland Empire, Orange and Los Angeles County employment centers. The following table presents the growth in population from 1998 to 2008:



Source: State of California, Department of Finance, E-4 Population Estimates for Cities, Counties and the State, 2001-2007, with 2000 Benchmark. Sacramento, California, May 2008.

The City has a labor force of approximately 30,800, and continued job losses are to be expected as weaknesses in the construction and mortgage industries have spilled over into the retail and professional/business sectors which are Victorville's top employers (see table above entitled "Employment Distribution by Sector"). The unemployment rate for the City stands at 14.3% (February 2009), which is significantly higher than at any point over the last five years and is higher than both the state (10.5%) and national (8.1%) levels. Victorville, as with other Inland Empire cities, has been hit especially hard as downturns in housing development, manufacturing, logistics, and other non-residential construction that normally provide a competitive advantage in a growing economy have declined.

The City has a rich ethnic diversity in its population, reflecting the diversity of California and especially the southern portion of the state. As with other areas, the percentage of the population for individuals of Hispanic origin has grown over the past two decades and is projected to continue to grow as reflected by the following table:



Source: U.S. Bureau of the Census, 1990 and 2000 Census of Population and Housing and ESRI forecasts for 2009.

City of Victorville
Budget Policies
Fiscal Year 2009-2010

The City of Victorville's fiscal year runs from July 1 through June 30 each year. A fiscal year represents a budgeting and accounting cycle for measuring the results of operations and the City's financial position. The budget is the most important policy document the City produces on an annual basis. The program and financial decisions it embodies reflect the will of the citizens through the policy direction of the City Council.

The City Manager is responsible for submitting the proposed annual budget and proposed annual salary plan to the City Council (VMC 2.04.150). The Finance Division is responsible for the coordination, development, and preparation of the annual budget. Department Heads are responsible for preparing their department budget requests and revenue estimates in accordance with the guidelines provided by the Administrative Services Director, along with any special budget instructions or direction that may be provided by the City Manager.

The budget is a planning tool that identifies strategic actions for the City for the fiscal year. It matches the financial and human resources available in order to carry out the planned actions. It also includes information about the City organization and identifies the policy direction under which the budget is prepared.

Budget Policies

1) Develop and adopt a fiscally sustainable, balanced budget prior to July 1st of each fiscal year
2) Keep the City Council informed on the fiscal condition of the City
3) Maintain a reserve for economic uncertainties
4) Provide adequate and stable reserves for vehicle replacement
5) Identify resources for Council identified priorities and initiatives
6) Maintain annual expenditure levels at a conservative growth rate
7) Limit expenditures to anticipated revenues and designated reserves
8) Maintain a diversified and stable revenue base
9) Forecast revenues that are realistic
10) Use one-time or irregular revenue resources strategically and not in support of operating costs
11) Annually update and adopt the Capital Improvement Plan (CIP) budget identifying the specific projects, or portions thereof, that can be completed during the fiscal year with known funding sources

Note: Totals include the City's blended component units with the exception of the Redevelopment Agency.

City of Victorville
Revenue Forecast Assumptions
FY 2009-2010

The City's revenue forecast attempts to look into the future and determine what effects various factors may have on its revenue sources. The assumptions and information provided in this document are intended to help in the decision making and planning of the City's 2009-2010 budget.

It is important to note that the information in this document should not be used as the sole source for forecasting revenues, and cannot be relied upon for complete accuracy or timeliness. It was developed as an analysis tool and supporting criteria for forecasting the City's revenues. Other keys to forecasting revenues are historical trend and expert analysis. It is important to understand the following limitations of forecasting:

- There will always be uncertainties about the future
- There will always be factors unknown at the time the forecast is developed
- Forecasts are based upon current knowledge, trends, expectations, and policies, any and all of which may change affecting the result of the forecast, and
- One reasonable assumption is as good as any other reasonable assumption.

Inflation

Where inflation estimates are calculated into a forecast, inflation has an increased average of 2.93% over the past seven years which is just under the 3% average that economics typically define as healthy growth. For the purposes of forecasting, inflation is assumed to be at -1.0% for FY 2009-2010 as determined by the consumer price index.

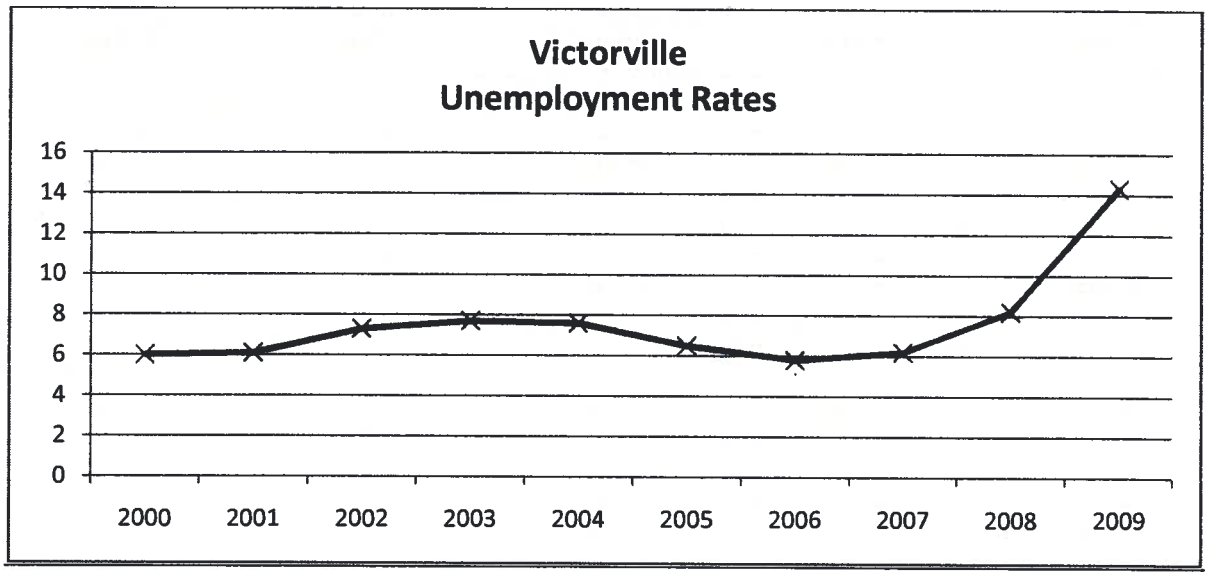
Consumer Price Index
Change from Previous Year

Year	% Increase/Decrease
2003	3.9%
2004	1.8%
2005	4.0%
2006	4.7%
2007	3.8%
2008	3.3%
2009	-1.0%
Average	2.93%

Source: Consumer Price Indexes Pacific Cities and U.S. City Average, March 2009, Los Angeles-Riverside-Orange County, percent change year ending March 2009.

Unemployment Rate

Where unemployment estimates are calculated into a forecast, Victorville's unemployment rate has increased over the past three years and as of February 2009 is at 14.3% which is higher than California's 11.2% or the U.S. average of 8.1%. The California Department of Finance is forecasting continued increases in unemployment over the next two years in both California (9.1% in 2009 and 9.4% in 2010) and the U.S. (7.7% in 2009 and 8.2% in 2009). This forecast is more moderate than others that are forecasting unemployment in California to reach as high as 11.7% in 2010 (LAEDC Kyser Center Economic Forecast, February 2009). It is therefore reasonable to assume that Victorville's unemployment rate will continue to climb throughout FY 2009-2010.



Source: Economic Development Department, California Labor Market Info, Data Library

In addition, job growth in California during 2009 is forecast at only 0.4% (CSUS, State of California Economic Forecast, January 2009) and the Inland Empire is expected to lose jobs with a negative growth of -6.7% (Husing, Inland Empire Quarterly Economic Report, April 2009). With expected higher unemployment rates and job losses as evidenced by the closing of several nationwide retail stores located in Victorville such as Mervyns, Circuit City, Longs Drugs, Sportsman's Warehouse, et al, the signs of a slowing economy on both the state and local level is evident and expected to continue throughout the fiscal year.

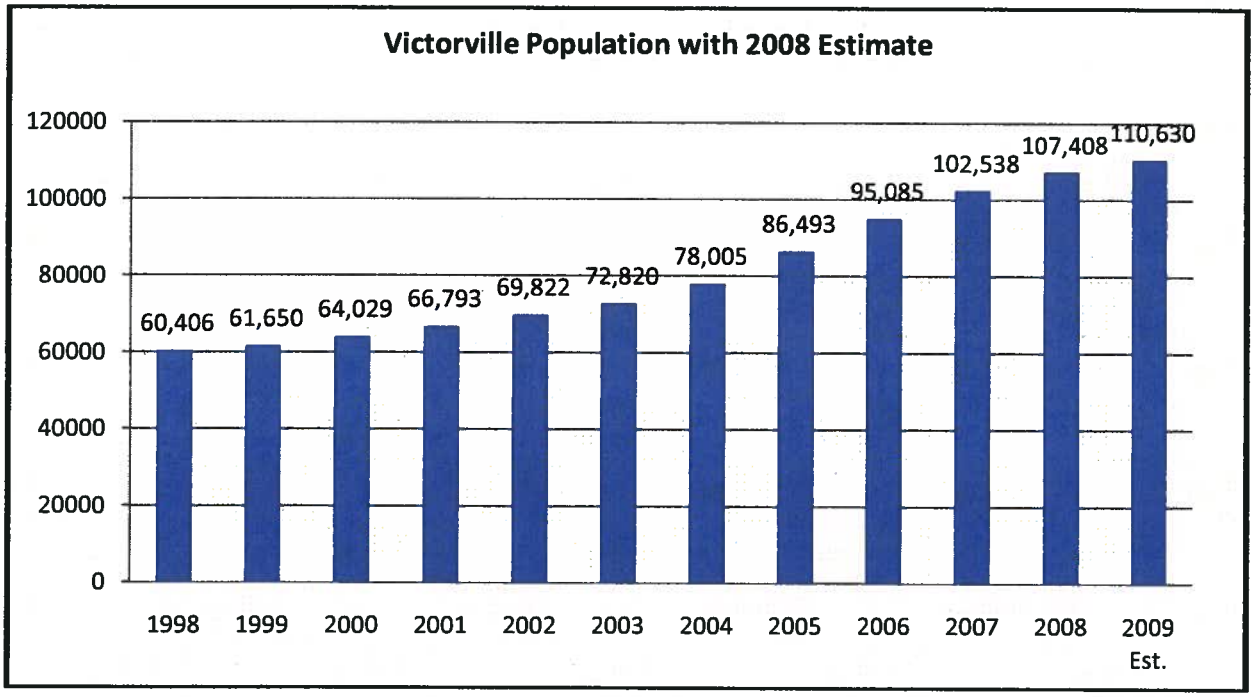
Housing Market

Where the housing market is calculated into a forecast, existing home sales rose 83% in California from February compared to the same period a year ago. Existing home sales also rose in the Inland Empire by 55% in 2008. Increases in existing homes are a result of foreclosure activity driving prices down and should not be interpreted as a sign of recovery in the housing

market. Conversely new home sales declined in both California and the Inland Empire by 46% and recovery in new home sales is not expected until foreclosure activity slows down possibly sometime in 2011. Median home prices also dropped to 40.8% to $247,600 in California in February compared to a year ago. Likewise, in San Bernardino County, the median price of homes dropped 40.7% for existing homes and 14.1% for new homes (Husing, Inland Empire Quarterly Economic Report, April 2009). With the continued sinking home prices and foreclosure activity, experts do not expect the housing market to recover during 2009.

Population Estimates

Where population estimates are calculated into a forecast, the Inland Empire average annual percentage growth change is moderately forecast at 2.3% and the High Desert is forecast at 3.0% (The Inland Empire in 2015, Johnson, Reed and Hayes, Public Policy Institute of California, 2008). Although Victorville has experienced much higher growth during the past few years, 5.63% in 2008, 7.8% in 2007, 9.8% in 2006 and 10.9% in 2005, a more conservative estimate is expected due to the continued housing market slump. Therefore, utilizing the 3.0% High Desert forecast, Victorville's population is expected to rise from 107,408 (California Department of Finance) to 110,630.



Source: State of California, Department of Finance, E-4 Population Estimates for Cities, Counties and the State, 2001-2007, with 2000 Benchmark. Sacramento, California, May 2008, and estimated 2009 by author in April 2009.

Summary

These forecast assumptions are prepared as of April 2009. Overall, revenue forecasts in the 2009-2010 budgets should be conservatively prepared with an expectation of a continuing slowdown of the national, regional and local economies.

City of Victorville
Revenue Sources, Uses and Estimates
Fiscal Year 2009-2010

The City of Victorville's revenue sources are classified into categories such as taxes, licenses and permits, fines and penalties, revenues from other agencies, and so on. The City's major revenue sources, permitted uses, and methodology for estimating the City's revenues are presented below.

Taxes

Sales & Use Taxes

Derived from the sales and use tax paid by consumers purchasing items in Victorville and allocated by the State. The City receives one cent of the 7.75 cents sales tax levied in Victorville. The current year estimate is based on a trend analysis of quarterly sales and use tax returns and taxable sales along with changes in the local and regional economy affecting major tax generators. (403001)

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 3.04 pursuant to California Revenue and Taxation Code § 7200 et seq.

In Lieu Sales Tax (i.e. Triple Flip)

Derived from a temporary shift of local sales and use tax rate by ¼ cent to finance California Economic Recovery Bonds with local reimbursement from property tax revenues allocated by the County. (401016)

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 3.04 pursuant to California Revenue and Taxation Code § 7200 et seq.

Transportation Sales Tax - Measure I

Derived from the voter-approved half-cent sales tax in San Bernardino County. The current year estimate has been projected based on the change in official population estimates provided by the Department of Finance and the change in estimated sales tax revenues. (403002)

These are restricted funds (40510, 40515, 40520, 40525, and 40530) and may only be used for street and transit related programs and projects.

Authority: San Bernardino County Associated Governments, Ordinance 89-1 and Policy 34101.

Transient Occupancy Taxes (i.e. Bed Tax)

Derived from the seven percent tax charged on all hotel/motel room rates in the City. The current year estimate is based upon information from historical trend analysis and decreases in the cost of living index and the rise in unemployment. (404999)

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 3.12 pursuant to California Revenue and Taxation Code §§ 7280 - 7283.

Property Transfer Tax

Derived from a tax paid on all properties sold within the City at a rate of .275 cents per $500, or each fraction thereof when the value of the property exceeds $100. The tax is collected and allocated by the county tax assessor. The current year estimate is based upon historical trend analysis and current housing market conditions. (401009)

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 3.08 pursuant to California Revenue and Taxation Code § 11901 et seq.

Franchises

Derived from taxes paid by businesses that have a franchise to operate in Victorville. The businesses include Southern California Edison, Southwest Gas Corporation, Pacific Gas and Electric, Charter Communications and Victorville Disposal. The current year estimate is based upon historical trend analysis, estimates of new construction, and rate change analysis for each franchise. (405005 through 405021)

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 5.60 pursuant to the California Business and Professions Code § 19610.3.

Property Taxes

Derived from a portion of the one percent property tax collected by the county for special districts within the city (i.e. fire, recreation and parks, street lighting, sanitary, and library). Current estimates are based upon the County of San Bernardino assessed valuations for each district with adjustments for housing market conditions. (401001)

These are restricted funds (20100, 20200, 20300, and 25100) and must be used for the purpose for which the district was formed.

Authority: California Government Code § 43000 et seq.

Tax Increment

The Victorville Redevelopment Agency receives a portion of ad valorem property taxes resulting from increases in the assessed valuation within the various project areas over the base year assessed valuation. Current year estimate is based upon the fiscal consultant's reports, historical trend analysis, and current construction market conditions.

These are restricted funds (76931, 76936, 76937, 76938 and 76946) of which 20% must be set-aside for low and moderate income housing and the balance for redevelopment purposes.

Authority: California Health and Safety Code § 33000 et seq.

Licenses and Permits

Business Licenses

Derived from the tax levied to recover the cost of licensing businesses to operate within the City. The current year estimate is based upon historical trend analysis that has been adjusted for various economic factors. (406001)

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 5.04 pursuant to California Government Code § 37101.

Local Permits

Derived from fees charged for the issuance of a variety of permits including: animal permits, planning, building, plumbing, electrical, mechanical, street and curb, massage, mobile home, grease trap, et al. Current year estimates are based upon historical trend analysis and the fees established for the permits. (406001)

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 6.08 et seq. pursuant to California Government Code § 66013 et seq.

Fines and Penalties

General Court Fines

Derived from fines paid by persons who violated local ordinances. The current year estimate is based upon a historical trend analysis.

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 1.04 and California Government Code §§ 36900 and 36901.

Vehicle Code Fines

Derived from court fines imposed on State motor vehicle violations citations issued within the City. The current year estimate is based upon historical trend analysis.

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Title 12 pursuant to California Vehicle Code §§ 21100-39000 et seq.

Parking Fines

Derived from fines paid for parking violations within Victorville. The current year estimate is based upon historical trend analysis.

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 12.28 pursuant to California Vehicle Code § 22500 et seq.

Miscellaneous Fines and Penalties

Derived from penalties and fines which do not fall within other definitions, including: business license, dog license, grease trap permit penalties; police and fire fines, et al. The current year estimates are based upon historical trend analysis.

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 1.04 and California Government Code §§ 36900 and 36901.

Revenues From Other Agencies

LTF Article 8A Transportation

Derived from funds generated by statewide sales tax and appropriated to local agencies on a per capita basis. The current year estimate is provided by and apportioned by SANBAG. (411009)

These are restricted funds (40200) and must be used to fund local streets and roads, and projects for use by pedestrians and bicycles.

Authority: California Public Utilities Code §99233.3.

LTF Article 3 Bicycle/Pedestrian

Derived from funds generated by statewide sales tax and appropriated to local agencies on a per capita basis. The current year estimate is provided by and apportioned by SANBAG. (411013)

These are restricted funds (40300) and must be used to fund pedestrian and bicycle projects.

Authority: California Public Utilities Code §99233.3.

AB 2928 Traffic Congestion Relief (Proposition 42)

Derived from gasoline sales tax under the Traffic Congestion Relief Fund and allocated by the State Controller's office. Allocations are based upon the City's population in proportion to the population of all cities in the State using the most recent population estimates prepared by the California Department of Finance. The current year estimate is based upon projections from the State Controller's office. (411018)

These are restricted funds (40210) and must be used for street and road maintenance, rehabilitation, or reconstruction.

Authority: California Government Code § 14556.5-14556.9 and California Street and Highways Code § 2182.

AB 2766 Motor Vehicle Fees

Derived from funds established by the State to fund programs that reduce air pollution from mobile sources and are disbursed by the Mojave Desert Air Quality Management District. The current year estimate is based upon historical trend analysis. (411008)

These are restricted funds (40400) and must be used for projects that reduce air pollution from mobile sources as required by the California Clean Air Act of 1988.

Authority: California Health and Safety Code §§ 44220-44247 et seq.

Proposition 1B, Transportation Bond Program

Derived from bond proceeds issued by the State for local street and road improvements and is allocated by the State Controller's Office based upon total population of the city in relation to all cities in the State. The current year allocation is provided by the California Department of Finance.

These are restricted funds (40250) and must be used for local street and road improvements, congestion relief, and traffic safety projects.

Authority: California Government Code § 8879.65.

Booking Fee Reimbursement

A reimbursement of a portion of the fee assessed by the County each time a police officer books an inmate into the County jail. The current year estimate is based upon historical trend analysis.

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: California Government Code § 29550 et seq.

Motor Vehicle In Lieu Fees

Derived from the annual fee paid by automobile owners registering their vehicle with the State Department of Motor Vehicles. Current year estimate is $0.291 per capita plus a supplemental appropriation estimate from the State Department of Finance.

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: California Revenue and Taxation Code § 11001 et seq.

Pari-Mutuel/Fairgrounds

Derived from a tax on pari-mutuel racing at the fairgrounds whereby the City is reimbursed 0.33 of one percent of the total wagers placed within the 28th District Agriculture District. The current estimate is based on historical trend analysis.

These are general fund (10100) revenues and there are no restrictions for their use.

Authority: VMC Chapter 5.60 pursuant to California Business and Professions Code § 19610 et seq.

Gas Taxes (Highway Users Tax)

Derived from taxes collected from the purchase of gasoline and remitted to the City. The current estimate is $0.04496 for Section 2105 and 0.61548 per capita for Section 2107. Funds are allocated by the State Controller's Office. (411005)

These are restricted fund (40100) revenues and must be used for street and highway services, surveys, reports, major and minor construction, maintenance, improvements, and equipment.

Authority: VMC Chapter 3.16 pursuant to California Street and Highways Code § 2100-2107.5 et seq.

Asset Seizure/Forfeiture

Derived from legally seized assets that have been used to facilitate illegal drug activities. The current estimate is based upon historical trend analysis. (408007)

These are restricted fund (30600 and 30700) revenues. Of the funds received 15% are restricted for funding programs designed to combat drug abuse and divert gang activity, the balance may be used for law enforcement equipment expenditures.

Authority: California Health and Safety Code §11489.

County Landfill Mitigation

Derived from a $0.50 per ton charge on all waste land filled at the Victorville Landfill. Funds are remitted to the City by the County Solid Waste Management Division on a quarterly basis. (410251)

These are restricted fund (30310) revenues and must be used for solid waste diversion or mitigation programs.

Authority: County of San Bernardino Contract 92-580 and MOU dated 6/29/92.

State Rebate/Grants

Derived from various State agencies. The current year estimate is provided by the awarding agency or, where the funds are carried over multiple years, the department responsible for administering the grant.	These are restricted fund (43100, 44100, 44152, 44210, 44215, 44854, 44855, 44900 et al) revenues and must be used for the purposes outlined by the granting agency. Authority: Provided by the granting agency.

Federal Grants

Derived from various Federal agencies. The current year estimate is provided by the awarding agency or, where the funds are carried over multiple years, the department responsible for administering the grant.	These are restricted fund (50100, 52300, 52350, 52750, 52900, 52901, 52902 et al) revenues and must be used for the purposes outlined by the granting agency. Authority: Provided by the granting agency.

<u>Charges for Current Services</u>

Building and Safety Fees

Derived from fees charged for the issuance of certain permits, plan checks, and inspections on construction projects. The fees are designed to recover the cost of providing the services. The current year estimate is based upon historical trend analysis and information from the Development Department about planned construction projects.	These are general fund (10100) revenues and there are no restrictions for their use. Authority: VMC Chapter 6.08 et seq. pursuant to California Government Code § 66013 et seq.

Planning and Zoning/Subdivision and Filing Fees

Derived from fees charged for processing zoning, development and subdivision proposals. The current year estimate is based upon historical trend analysis and information from the Development Department about planned construction projects.	These are general fund (10100) revenues and there are no restrictions for their use. Authority: VMC Chapter 6.08 et seq. pursuant to California Government Code § 66013 et seq.

Development Impact Fees

Derived from fees collected from developers to pay for additional roads, parks, public buildings, fire service and public safety to support the development. Fees are set annually by the City Council. The current year estimate is based upon historical trend analysis and information from the Development Department about planned construction projects.

These are restricted fund (60100, 60200, 60300, 60310, 60400, 60500 & 60510) revenues and must be used for the purposes for which they are collected.

Authority: California Government Code § 66000, VMC Chapter 15.04.060.

Other Capital Facilities Fees

Derived from fees collected from developers to pay for storm drains, street lighting, fire hydrants, sewer connections, and overpasses. Fees are established by the City Council. The current year estimate is based upon historical trend analysis and construction market conditions.

These are restricted fund (60600, 60610, 61000, 61100, and 61200) revenues and must be used for the purposes for which they are collected.

Authority: California Government Code § 66000.

Golf Course and Recreation Fees

Derived from charges for various golf and recreational programs. Current year estimates are based upon prior year demand and the rates established for the programs.

These are restricted fund (25500) revenues and must be used for the necessary and reasonable costs associated with providing the service or commodity.

Authority: California Government Code § 66013 et seq. and VMC Chapter 14.08.

Airport Fees

Derived from various charges for services at the Airport such as port fees, fuel terminaling fees, filming fees, aircraft parking fees, aircraft tie down fees, et al. Current year estimates are based upon projected demand and the rates established for the programs.

These are restricted fund (30913) revenues and must be used for the necessary and reasonable costs associated with providing the service or commodity.

Authority: California Government Code § 66013 et seq.

Utility Sales and Fees

Derived from the sale of, or fees for, the City's various utilities such as gas, electric, steam, water solid waste, recycling, sanitary district, sewer and storm drain. Current year estimates are based upon projected demand and the rates established for the programs.

These are restricted fund (25100, 25110, 25115, 25410, 30100, 30200, 30800) revenues and must be used for the necessary and reasonable costs associated with providing the service or commodity.

Authority: California Government Code § 66013 et seq.

Miscellaneous Charges

Derived from the charges for services such as publications, copies, notary service, hazard and weed abatement, election and filing fees, transit fares and passes, CNG fuel sales, street, fire and building department services, transit mitigation, special inspections, et al.

These can be either general fund (10100) revenues where there are no restrictions for their use, or restricted revenues that must be used for the purpose for which they are collected.

Authority: California Government Code § 66013 et seq.

Other Revenues

Rent and Leases

Derived from the lease of City facilities, and the rental of City equipment. The current year estimates are based upon historical trend analysis and rates established.

These can be either general fund (10100) revenues where there are no restrictions for their use, or restricted revenues that must be used for the purpose for which they are collected.

Authority: California Government Code § 66013 et seq.

Assessments

Derived from the various assessment districts and community facilities districts established by Victorville and collected by the county. The districts are funded by annual assessments against the property owners within the district to maintain the district for the purpose of which the district was established. Assessments include; community facilities districts, landscape maintenance assessment districts, and detention facility assessment districts. The current year estimates are upon historical trend analysis and rates established for the districts.

These are restricted fund (20250, 76800, 76850, 76851, and 76875) revenues and must be used for the purpose for which the assessment is collected.

Authority: California Government Code § 66000.

Miscellaneous Other Revenues

Derived from various payments made to the city which does not come within other revenue definitions including; interest income, fleet maintenance services, cost recovery, animal control fees, transit system fares, sale of real/personal property, sundry, et al. The current year estimates are based upon historical trend analysis.

These can be either general fund (10100) revenues where there are no restrictions for their use, or restricted revenues that must be used for the purpose for which they are collected.

Authority: California Government Code § 66013 et seq.

RESOLUTION NO. 09-049

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VICTORVILLE AUTHORIZING A CONTINUING APPROPRIATION AND EXPENDITURE BUDGET BASED UPON THE FISCAL YEAR 2008-2009 BUDGET

WHEREAS, City staff has been diligent in the development of the City's Fiscal Year 2009-2010 budget for City Council consideration and adoption prior to July 1, 2009; and

WHEREAS, prior to submitting the Fiscal Year 2009-2010 budget, issues that significantly impact the City's budget must be resolved by the City Council; and

WHEREAS, in order to provide continuing funding for City services and programs, it is necessary to adopt a continuing appropriation and expenditure budget based upon the Fiscal Year 2008-2009 budget.

NOW THEREFORE, BE IT RESOLVED:

Section 1. That the operating budget, exclusive of capital projects and equipment, for the Fiscal Year 2008-2009, is hereby established as the appropriation and expenditure level, on a monthly prorated basis, until the City Council's adoption of the budget for Fiscal Year 2009-2010.

Section 2. Ordinary, usual, and reasonable costs for personnel, services, supplies, and continuing contracts and obligations necessary for the ongoing operations of the City shall be paid, so long as the City Manager and/or Finance Director determine that expenditures do not exceed available or anticipated revenues.

Section 3. That upon completion of an orderly budget process for Fiscal Year 2009-2010, the new budget adopted by the City of Victorville shall become the controlling document for such fiscal year.

PASSED, APPROVED AND ADOPTED this 16th day of JUNE 2009.

MAYOR OF THE CITY OF VICTORVILLE

CITY CLERK OF THE CITY OF VICTORVILLE

RESOLUTION NO. CC-09-072

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VICTORVILLE ESTABLISHING AND ADOPTING THE ANNUAL BUDGET FOR FISCAL YEAR 2009-2010

WHEREAS, the City Manager of the City of Victorville did heretofore submit to the City Council an estimate of the expenses and revenues of the City departments and offices, which includes the subsidiary district of the Street Lighting District, together with a proposed budget for the fiscal year 2009-2010; and

WHEREAS, copies of said budget were prepared and distributed to the City Council and have been available for the inspection by the public in the office of the City Clerk of the City of Victorville; and

WHEREAS, the City incurs central service costs, such as expenses for administrative, financial, and other central services, which are provided to other departments and not directly to the general public; and

WHEREAS, the City has prepared a cost allocation plan pursuant to OMB Circular A-87 in order to recover said costs which are included in the proposed budget for fiscal year 2009-2010; and

WHEREAS, the City Council did fix August 18, 2009, at the hour of 7:00 p.m., in the Council Chambers of City Hall, 14343 Civic Drive, Victorville, California, as the time and place for holding a Public Hearing upon said budget; and

WHEREAS, the City Council did hold such Public Hearing at said place upon said budget and all persons desiring to be heard by the City Council at said Public Hearing on the budget were heard and the City Council, after due consideration, has determined that said budget should be approved.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF VICTORVILLE DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. That the annual budget for the fiscal year 2009-2010 now in the hands of the City Clerk, is hereby adopted in the amount of $175,189,545.

SECTION 2. That copies of such annual budget, certified by the City Clerk, shall be filed with the auditors of the City of Victorville and in the office of the City Clerk for public inspection and certified copies thereof shall be made available for use by City departments, offices and subsidiary districts of the City.

Resolution No. 09-072

CITY CLERK OF THE CITY OF VICTORVILLE

RESOLUTION NO. SCLAA-09-003

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE SOUTHERN CALIFORNIA LOGISTICS AIRPORT AUTHORITY ESTABLISHING AND ADOPTING THE ANNUAL SCLAA BUDGET FOR FISCAL YEAR 2009-2010

WHEREAS, the Executive Director of the Southern California Logistics Airport Authority did heretofore submit to the Board of Directors of the Southern California Logistics Airport Authority an estimate of the expenses and revenues of the Southern California Logistics Airport Authority, together with a proposed budget for the fiscal year 2009-2010; and

WHEREAS, copies of said budget were prepared and distributed to the Board of Directors of the Southern California Logistics Airport Authority and have been available for the inspection of the public in the office of the City Clerk; and

WHEREAS, the City of Victorville, acting as Treasurer for SCLAA, incurs central service costs, such as expenses for administrative, financial, and other central services, which are provided to SCLAA and not directly to the general public; and

WHEREAS, the City has prepared a cost allocation plan pursuant to OMB Circular A-87 in order to recover said costs which are included in the proposed budget for fiscal year 2009-2010; and

WHEREAS, the Board of Directors did fix August 18 2009, at the hour of 7:00 p.m., in the Council Chambers of City Hall, 14343 Civic Drive, Victorville, California, as the time and place for holding a Public Hearing upon said budget; and

WHEREAS, the Board of Directors of the Southern California Logistics Airport Authority did hold such Public Hearing at said time and place upon said budget and all persons desiring to be heard on the budget were heard and the Board of Directors of the Southern California Logistics Airport Authority, after due consideration, has determined that said budget should be approved.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE SOUTHERN CALIFORNIA LOGISTICS AIRPORT AUTHORITY DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. That the annual budget for the fiscal year 2009-2010 for the Southern California Logistics Airport Authority, now in the hands of the City Clerk, is hereby adopted in the amount of $44,824,870.

SECTION 2. That copies of such annual budget for the Southern California Logistics Airport Authority certified by the City Clerk, shall be filed with the auditors of the Southern California Logistics Airport Authority and in the office of the City Clerk for public inspection, and certified copies thereof shall be made available for use by SCLAA, City departments and offices of the City.

RESOLUTION NO. SCLAA 09-003

PASSED, APPROVED AND ADOPTED THIS 18th DAY OF AUGUST, BY THE FOLLOWING VOTE:

AYES: Boardmembers Almond, Cabriales, Caldwell and McEachron.

RESOLUTION NO. LBT-09-001

A RESOLUTION OF THE LIBRARY BOARD OF TRUSTEES ESTABLISHING AND ADOPTING THE ANNUAL LIBRARY BUDGET FOR FISCAL YEAR 2009-2010

WHEREAS, the Executive Director of the Library did heretofore submit to the Library Board of Trustees an estimate of the expenses and revenues of the Library, together with a proposed budget for the fiscal year 2009-2010; and

WHEREAS, copies of said budget were prepared and distributed to the Library Board of Trustees and have been available for the inspection of the public in the office of the City Clerk; and

WHEREAS, the City of Victorville, acting as Treasurer for the Board, incurs central service costs, such as expenses for administrative, financial, and other central services, which are provided to the Agency and not directly to the general public; and

WHEREAS, the City has prepared a cost allocation plan pursuant to OMB Circular A-87 in order to recover said costs which are included in the proposed budget for fiscal year 2009-2010; and

WHEREAS, the Board of Trustees did fix August 18, 2009, at the hour of 7:00 p.m., in the Council Chambers of City Hall, 14343 Civic Drive, Victorville, California, as the time and place for holding a Public Hearing upon said budget; and

WHEREAS, the Library Board of Trustees did hold such Public Hearing at said time and place upon said budget and all persons desiring to be heard on the budget were heard and the Library Board of Directors, after due consideration, has determined that said budget should be approved.

NOW, THEREFORE, THE LIBRARY BOARD OF DIRECTORS DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. That the annual budget for the fiscal year 2009-2010 for the Library, now in the hands of the City Clerk, is hereby adopted in the amount of $640,003.

SECTION 2. That copies of such annual budget for the Library certified by the City Clerk, shall be filed with the auditors and in the office of the City Clerk for public inspection, and certified copies thereof shall be made available for use by the City departments and offices of the City.

CITY CLERK OF THE CITY OF VICTORVILLE

RESOLUTION 09-084

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VICTORVILLE ESTABLISHING AND ADOPTING THE ANNUAL APPROPRIATIONS LIMIT FOR THE FISCAL YEAR 2009-2010

WHEREAS, the total appropriations subject to the appropriation limit as defined by Article XII B of the California Constitution for the base year 1978-79 was $3,698,798; and

WHEREAS, based upon growth in California personal income or growth in the non-residential assessed valuation due to new construction within the city and population growth of the city or county as required by Article XIII B (Proposition 4) and modified by Proposition 111; and

WHEREAS, the appropriations limit for fiscal year 2008-2009 was set by Resolution 08-138 at $629,814,851; and

WHEREAS, the growth in California per capita personal income was 0.62 percent; and the population growth within the City of Victorville January 1, 2008 through January 1, 2009, was 2.43 percent; these percentages multiplied by the 2008-2009 appropriations limit of $629,814,851 sets the 2009-2010 limit at $649,119,092.

NOW THEREFORE, THE CITYOF VICTORVILLE DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. That the appropriations limit for Fiscal Year 2009-2010 be set at $649,119,092.

CITY CLERK OF THE CITY OF VICTORVILLE

City of Victorville
Glossary
Fiscal Year 2009-2010

Account: A subdivision within a fund for the purpose of classifying transactions.

Accrual Basis or Accrual Method: Accounting method whereby income and expense items are recognized as they are earned or incurred, even though they may not yet have been received or actually paid in cash. The alternative is the Cash Basis. The City uses the widely recognized method of "Modified Accrual."

Adopted Budget: A budget which typically has been reviewed by the public and "Adopted" (approved) by the City Council prior to the start of the fiscal year. The legal authority to expend money for specified purposes in the fiscal year time period.

Allocation: A distribution of funds or an expenditure limit established for an organizational unit.

Appropriation: An authorization by the City Council to make expenditures and to incur obligations for specified amounts and purpose.

Assessed Valuation: An official value established for real estate or other property as a basis for levying property taxes.

Assessments: Charges made to parties for actual services or benefits received.

Audit: A review of the accounting system and financial information to determine how government funds were spent and whether expenditures were in compliance with the legislative body's appropriations.

Authorized Positions: Ongoing positions which are approved in the final budget adopted by the City Council.

Bonds: A written promise from a local government to repay a sum of money on a specified date at a designated interest rate. Bonds are most frequently used to finance capital improvement projects.

Budget: A plan of financial operation, for a set time period, which identifies specific types of levels of services to be provided, proposed appropriations or expenses, and the recommended means of financing them.

Budget Calendar: The schedule of key dates which City departments follow in the preparation, revision, adoption, and administration of the budget.

Budget Message: The opening section of the budget which provides the City Council and the public with a general summary of the most important aspects of the budget, changes from previous fiscal years, and presents recommendations made by the City Manager.

Capital Improvement Plan (CIP): A comprehensive plan for capital expenditures, to be incurred each year over a fixed period of years, to meet capital needs arising from the long-term work program or other capital needs. It sets forth each project or other contemplated expenditure in which the government is to have a part, and specifies the resources estimated to be available to finance the project expenditures.

Certificate of Participation (COP): Obligations of a public entity based on a lease or installment sale agreement.

Debt Service: Debt service is the amount of money necessary to pay interest and principle on outstanding debt.

Department: A combination of divisions of the City lead by a Department Head with a specific and unique set of goals and objectives.

Encumbrance: A commitment related to an unperformed contract for goods or services. Used in budgeting, encumbrances represent the estimated amount of expenditures ultimately to result if unperformed contracts in process are completed. Encumbrances include, but are not limited to, purchase orders and contracts.

Enterprise Fund: An enterprise fund is established to account for operations financed and operated in a manner similar to private business where the intent of the legislative body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The rate schedules for these services are established to ensure that revenues are adequate to meet all necessary expenditures.

Expenditures: The outflow of funds paid or to be paid for an asset, obtained of goods and/or services. This term applies to governmental funds. The term expense is used for enterprise funds.

Fund: A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financing sources together with all related liabilities and residual equities or balances and changes therein which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Fund Balance: An excess of assets over liabilities and reserve. This term applies to governmental funds only.

General Fund: A governmental fund used to account for all financial resources except those required to be accounted for in another fund.

Generally Accepted Accounting Principles (GAAP): The uniform standards and guidelines to financial accounting and reporting. GAAP encompass the conventions, rules and procedures necessary to define the accepted accounting practices at a particular time. They include both broad guidelines of general application and detailed practices and procedures.

General Obligation Bond: Bonds that are limited by State law as to the amount as well as the length of indebtedness that a government can have. These "Full Faith and Credit" bonds are secured by all of the financial assets of the local government, including property taxes.

Infrastructure: The physical assets of the City, i.e., streets, water, sewer, public buildings, and parks, and the support structures within a development.

Jurisdiction: Geographic or political entity governed by a particular legal system or body of laws.

Landscape and Lighting Maintenance District Funds: Funds to account for revenues derived from annual assessments which are used to pay the costs incurred by the City for landscape maintenance and street lighting maintenance.

Operating Budget: A plan for current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing, acquisition, spending, and service delivery activities of government are controlled. The use of annual operating budgets is required by law in California.

Program: An accounting and reporting level related to a specific activity or function to be tracked.

Proprietary funds: Funds that account for and record operations similar to those found in a business, such as Enterprise funds and internal service funds.

Refunding: A procedure whereby an issuer refinances an outstanding bond issue by issuing new bonds. There are generally two major reasons for refunding; to reduce the issuer's interest costs, or to remove a burdensome or restrictive covenant imposed by the terms of the bonds being refinanced. The proceeds of the new bonds are either deposited into escrow to pay debt service on the outstanding obligations when due, or they are used to immediately retire the outstanding obligations. The new obligations are referred to as the refunding bonds and the outstanding obligations being refinanced are referred to as the refunded bonds or the prior issue.

Resolution: A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

Special Assessment: A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

Special Revenue Fund: A governmental fund type used to account for specific revenues that are legally restricted to expenditures for particular purpose.

Subventions: That portion of revenues collected by other government agencies on the City's behalf.

Tax Increment: The portion of the ad valorem property taxes resulting from increase in the assessed valuation within the redevelopment project area over the base year assessed valuation. As required by California Health and Safety Code Sections 33334.2 and 3334.3, 20% of the gross tax increment is set aside in a Low and Moderate Income Housing Fund to be used to increase, improve, or preserve the supply of low and moderate income housing.

Transient Occupancy Tax: This tax is collected from the operators of hotels and motels located within the City. A percentage of this tax is then remitted to the City as part of the revenue.

Transfers: Transfers are the authorized exchanges of cash or other sources between funds.

Trust and Agency Fund: Also known as Fiduciary Fund Types, these funds are used to account for assets held by the City in a trustee capacity or as an agent for private individuals, organizations, or other governmental agencies.
