

Get ready for something new at the Victorville City Library!

We now offer free digital audiobooks. All you need is a Victorville City Library card in good standing and a computer, smart phone, tablet, etc to have FREE access to our latest digital collections.

OneClick Digital offers free digital access to audiobooks through the Victorville City Library.

Using the library's free OneClickdigital subscription service requires the creation of one account. Follow these steps to create the account:

1. Go to [oneclickdigital.com](http://oneclickdigital.com) through the Victorville City Library's OneClickdigital banner to create your account.
2. In the top right corner click on Create New Account
3. Enter your library card number (it must be a Victorville City Library card)
4. Complete the required information and click Create Account
5. Windows: It is recommended that most Windows users select to use the OneClickdigital Media Manager as their method to download audiobooks and transfer them onto their portable devices. This is a small program that is installed on your computer. It generally takes about 5-10 minutes to install, depending on internet speeds.

If you choose the "Use Manual Download" method, when checking out a title, you will be asked where to save the file. Choose a location on your computer to save the file and the audiobook will be downloaded as a .Zip file.

MAC Users: Visit the [Mac App store](#) to download the OneClickdigital Media Player (for OS 10.6 or greater) or download the [MAC Instructions](#) for manual transfers.

6. Complete the account information to create your account. The user name and password will be the information you use to sign in to OneClick Digital each time.
7. If you selected to use the OneClickdigital Media Manager as your download method, you will be brought to the installation page for the Media Manger. Follow the steps to install the Media Manager and begin using the service.

MAC Users: Visit the [Mac App store](#) to download the OneClickdigital Media Player (for OS 10.6 or greater) or download the [MAC Instructions](#) for manual transfers.

8. To check out future audiobooks, you must access your OneClick Digital account through the banner at the Victorville City Library site.

To use OneClick Digital on your smart phone or tablet you will need to go to your device's app store and download the free OneClick Digital app.
