

Get ready for something new at the Victorville City Library!

We now offer free digital magazines. All you need is a Victorville City Library card in good standing and a computer, smart phone, tablet, etc to have FREE access to our latest digital collection.

Zinio offers free digital access to magazines through the Victorville City Library. Zinio, the world's largest newsstand, offers full color, interactive digital magazines for your enjoyment. Browse from your library's collection of popular titles with no holds, no checkout periods, and no limit to the number of magazines you can download.

Using the library's free Zinio magazine subscription service requires the creation of two accounts—a Library Collection Zinio account to view our library's collection and a free Zinio Reader account to read magazines online or via the Zinio Reader app on your mobile device.

Follow these steps to create both accounts:

1. Click on the Zinio banner found on the Victorville City Library's website to create your Library Collection account. This is the account you will access to check out free magazines.
2. In the top right corner click on Create New Account.
3. Enter your library card number (it must be a Victorville City Library card).
4. Complete the required information and click Create Account. Victorville City Library will be at the top of the Zinio page.
5. Begin browsing the collection. Click on a magazine to checkout. Then click on the "**Complete Checkout**" button. You will be redirected to Zinio.com where you will be able to read your selections.
6. **First-time users must enter an email address and password to create a free Zinio.com Reader account. This is the account you will access to read the magazines you have checked out.
7. In your Zinio.com Reader account, your library magazine subscriptions will now display in the "**Your Library**" section.
8. To check out future magazines, you must access your Zinio Library Collection account through the Victorville City Library Zinio banner found on the Victorville City Library website.

To use Zinio on your smart phone or tablet you will need to go to your device's app store and download the free Zinio reader app. The app allows you to read the magazines. To find and check out a magazine you will need to use a web browser and your Zinio account. * Zinio Reader app compatibility includes iOS (Apple®), Android™, Kindle Fire/Fire HD™, Windows 8, PC, Mac, and BlackBerry® PlayBook.
