## Victorville Recreation's NEW Online Enrollment Site!

The City of Victorville's Recreation Division is now taking online enrollment for activities, classes, and sports programs! The new online site through ActiveNet went live December 10, 2015 making it easier for you to sign up for all your favorite programs. To access the site, go to [www.VictorvilleRec.com](http://www.VictorvilleRec.com) and click on the link "Register Online". When you get to our enrollment site on ActiveNet, just set up your account and you'll be ready to enroll. Staff will still be available at Hook Community Center during regular business hours Monday-Thursday for those who prefer to register in person. We're doing everything we can to make participation in our programs as convenient as possible. For further information about enrolling online, call Hook Community Center at 760-245-5551.

## Public Works Essay Contest

For Madison Young, it was the value of traffic signals to a community. For Aaron Hanson, it was the City Street Sweeper; and Carley Lawhead decided it was the Victorville Graffiti Removers. After a visit to the City of Victorville's Public Works Day, approximately 300 fourth graders were asked to write about Public Works, its importance to a City, and how it makes a difference in our daily lives.

Of the nearly 300 essays submitted, the essays written by Madison, Aaron and Carley most impressed the judges from the City of Victorville Public Works Team. The three fourth-graders were invited to a recent

Victorville City Council Meeting where they were recognized for their outstanding achievements.

The first-place winner, Carley Lawhead is from Galileo School of Gifted and Talented Education. Second place was awarded to Aaron Hanson from Discovery School of the Arts, and the third-place winner was Madison Young from Liberty School of Creativity and Innovation. Each essay winner received a Barnes and Noble gift card along with a certificate of recognition.

Carley Lawhead, a fourth grader from Galileo School of Gifted and Talented is the 1st Place Winner of the City of Victorville's Public Works Essay Contest. She was recently recognized by the Victorville City Council for her essay about the City's graffiti removers. Aaron Hanson from Discovery School of the Arts was awarded second place, and Madison Young from Liberty School of Creativity and Innovation won the third-place prize. The essays written by Carley, Aaron and Madison were chosen the winners among nearly 300 essays submitted by local fourth-grade students as part of the City's Public Works Day event. ## City of Victorville Launches Community Needs Assessment Survey

Over the next few months, Victorville's Parks and Recreation Divisions will be conducting a Community Needs Assessment for Victorville residents. The survey, titled "Your Opinion Counts", can be taken online or at one of the City's upcoming special events. Questions will be asked about park usage, program participation, community demographics and more. There will also be opportunities for residents to express their ideas about new programs and facilities, and their concerns about existing infrastructure.

"This needs assessment will help us improve current services and plan for the future with new development projects and program planning" says Recreation Manager Glenn Salas. "We value the opinions of our residents, and want to hear what they have to say". To take the survey, residents can log on to [www.VictorvilleRec.com](http://www.VictorvilleRec.com) and click on the "Your Opinion Counts" link. One survey per household can be submitted, and all entries will be automatically entered in an opportunity prize drawing.

Don't have access to a computer? No problem. You can also take the survey at the National Night Out event on August 2nd at Victorville City Hall from 4:00-8:00pm or at the Fall Festival on October 1st at Victorville City Hall from 10:00am-4:00pm. Just visit the "Your Opinion Counts" booth at either event. The survey will close October 3rd, and prizes will be drawn later that month.

For further information please contact the Victorville Recreation Division at 760-245-5551.

# Take Pride in Victorville!

DO YOUR PART TO HELP KEEP VICTORVILLE CLEAN AND BEAUTIFUL

### ***VOLUNTEER FOR A CITY-WIDE CLEANUP DAY IN APRIL AND OCTOBER:***

Hundreds of volunteers are needed to pick up litter all over the City. For each event, volunteers receive a free event t-shirt and discount lunch coupons. You can sign up on the City's website at [www.victorvilleca.gov](http://www.victorvilleca.gov) - Quick Link: Community Cleanup or call 760-955-5095.

### ***JOIN THE CITY'S ADOPT-A-STREET PROGRAM:***

Volunteers are needed to adopt streets to help keep them litter free. The City provides volunteers with gloves, plastic bags, safety vests, and litter pick up tools, and arranges to pick up all litter. Individuals or groups can adopt a block—or more! For information, call the Adopt-A-Street Program at 760-955-5095 for details.

## Water Conservation

When you live in a desert environment, like we do, it is even more important to use every drop wisely. Large water users and many homeowners within the City of Victorville have been doing their part by switching from water-hungry grass to beautiful, water-wise plants and flowers.

Since most of our residential water use in the desert is outdoors, as much as 70% of our total household water use, it makes sense to look outside for changes we can make to save water.

**Our desert climate is one defined by many months to many years of drought, and even a few years of normal or higher than normal rainfall will not change the fact that we live in a desert—a climate created by and adapted to extended droughts.**

### Desert Friendly Plants for Victorville Landscapes is available online!

Desert-Friendly Plants for Victorville Landscapes is a comprehensive, easy-to-use guide to selecting and growing the best water-efficient plants for our region. Use this interactive website to view hundreds of spectacular photos that showcase desert-friendly plants suitable for our climate. Imagine how the plants will appear in your own landscape!

## Your Recycling & Trash Questions Answered!

**Q.** What ever happened to Free Dump Day?

**A.** San Bernardino County discontinued its Free Dump Days at the County landfills in 2012. There are alternatives, though. Victorville residents of single-family homes can schedule two free BULKY ITEM pickups per year of up to five items per pick up. Just call Victorville Disposal at 760-245-8607 to schedule. Also, the City has been sponsoring free Neighborhood Cleanup events throughout the year. This is an opportunity to drop off unlimited amounts of trash, garden trimmings, and junk. Go to the City's Environmental Programs website at [www.VictorvilleRecycles.com](http://www.VictorvilleRecycles.com) or like us on Facebook (Victorville Environmental Programs) to get info on the next free Neighborhood Cleanup Day date and location.

**Q.** What should I do with old clothes?

**A.** Please DO NOT put them in the trash or recycle barrels! Clothing and textiles (sheets, towels, blankets) are valuable materials! First priority is to donate any usable clothes to local charities. Or you can drop clothing and shoes off at the City of Victorville Recycling Drop-off Center, 15164 Anacapa. Open Monday through Friday 8 a.m. to 4 p.m. and Saturdays 8 a.m. to 12 noon. NOTE: We CAN and do accept clothes and textiles with holes or worn patches at our recycling center! So save up those socks with holes in the toes, and pants with holes in the knees. Just make sure everything is clean! Go to [www.VictorvilleRecycles.com](http://www.VictorvilleRecycles.com) to find a listing of Victor Valley charities that accept donations of clothes and other household items. (Scroll down to the "Reuse Guide—Where to Get Rid of Your Stuff.")

**Q.** What kinds of plastics can I recycle in the blue barrel?

**A.** Please recycle all rigid plastic containers. This includes food containers, microwave dinner trays, cups, yogurt/cottage cheese tubs, laundry detergent bottles, soda/water bottles, shampoo bottles, catsup/mustard jars, etc. All plastics should be empty and rinsed, if they contained food. Please DO NOT put plastic bags in the blue bins. They jam our sorting equipment! Take your surplus plastic bags back to the grocery store for recycling there.

## Animal Care & Control

### What you need to know about licensing your dog...

Every dog that lives in the City limits must be licensed and vaccinated against rabies in accordance with the City of Victorville Municipal Code. This helps protect the general health, safety and welfare of all persons within the City.

New residents have 60 days to acquire a license for their dog(s), and persons renewing a dog license have a 30-day grace period following the expiration/renewal date.

In addition, no more than three adult dogs or adult cats can be maintained at a single residence.

**Licensing is easy!** You can download an application from the City's website, then bring it in with proof of rabies vaccination and certificate of sterility, if applicable, to the Victorville City Hall, Cashier's Window, 14343 Civic Drive, M-Th 7:30 - 5:30 or the ACC Division Office, 14206 Amargosa Rd., M-Th 7:00 - 4:30. You may also mail your application to Victorville Animal Care and Control, PO Box 5001, Victorville, CA 92393.
