FREE COMPOST & MULCH GIVEAWAY: Limit of 50 gallons of each material. For residents only. No businesses! Bring your own shovel and bag/containers. There will be three products:

- 1) Compost, derived from residential greenwaste and source separated food waste (to be incorporated into the soil to enrich it)
- 2) ½” soil amendment, derived from self-haul greenwaste (brush, grass, leaves) that has been ground up and run through 3/8” screen
- 3) 1” wood chips, derived from clean, unpainted untreated dimensional lumber that has been ground up (to be used as ground cover). Compost is produced and donated by Burrtec Waste Industries, Inc.

MRF TOURS & DISPLAYS: All your recycling questions answered! Find out where your curbside recyclables go after the truck picks them up. The MRF will be running—so you can see materials processed. We’ll have displays about recycling and composting.

DOUBLE YOUR CRV CONTEST AT THE MRF BUY BACK CENTER: Bring your CRV materials to our Buy Back Center during our Earth Day at the MRF event, and enter the “Double Your CRV Contest.” We will pick two lucky winners to double their CRV—up to \$100—on their next visit to the MRF Buy Back center.

VISIT “RECYCLE ALLEY” — FREE DROP-OFF OF TVs, CRTs, COMPUTERS, APPLIANCES, SCRAP METAL, MIXED PAPER, PLASTICS, CLOTHING & SHOES: Clean out your garage and closets before you head over to the MRF!
