**COUPON MAY NOT BE DUPLICATED**

I am always  
hungry for  
the right stuff.

## RECYCLING UPDATE — Use the Blue And Save Green!

City residents and businesses recycled about 7,700 tons in 2014 — our best year since 2008! Residents and businesses benefitted by over \$480,000 from avoided landfill disposal costs and revenues from recycled material sales. These savings are reflected in monthly sanitation rates.

Recycling is good for Victorville and the Environment, so remember to “Use the Blue, and Save Green!” Here’s what should go in your blue curbside recycling bin:

- 1 PAPER & CARDBOARD:**  
Includes newspapers, advertisements, magazines, junk mail, phone books, notebook paper, catalogs, cereal boxes (w/out liners), paper egg cartons, paper grocery bags, all types of cardboard boxes, and all other clean, dry papers.
- 2 TIN & ALUMINUM CANS:**  
Includes food and drink cans, pet food cans, EMPTY aerosol cans, also clean aluminum foil and foil trays.

- 3 GLASS BOTTLES & JARS:**  
Includes glass bottles and jars only. Wine & Beer bottles, and other glass food and beverage bottles/jars.
- 4 PLASTIC BOTTLES, JARS, TUBS, & TRAYS:**  
Includes milk and water jugs, detergent and shampoo bottles, food jars, yogurt cups, microwave trays, etc.

# Cash For Grass Is Back!

Eligible customers can receive up to 50 cents per square foot of living and maintained turf removed and replaced with desert adaptive plants. Funding is limited and is available on a first come-first served basis. Call the City of Victorville Conservation Division at 1-866-955-4420 ASAP to get an application and to schedule a pre-inspection.

# MAKE IT A CLEAN SWEEP Weekend
