# Rules of School Participation

## November 3rd - 7th

### Eligibility

Any school, public or private, in Victorville city limits may participate in The City of Victorville Recycles Week 2014. By participating in Recycle Week your school will be contributing to a citywide campaign to promote recycling and buying recycled *and* competing for cash prizes. ("Buying recycled" is the purchase of products that contain recycled content.)

**The City of Victorville Recycles Week Committee** will judge each school according to the specific criteria outlined below. The number one school receiving the most points will be awarded a \$1,000 cash prize. Second & Third place point schools will win cash, too. Bonus prizes will also be awarded to three participating schools. The school to collect and redeem the most bottles & cans during a two week period (Oct 27th- Nov 7th), will be eligible to win a CRV cash award. (To be eligible for the CRV Prize—schools must provide copies of dated redemption receipts or participate in CRV Bin Program.) Cash awards are to be used for educational or environmental programs.

### Judging Criteria:

## Complimentary Science & Recycling Assembly

### "All That Trash"

Presented by the company that performed "H2O, Where Did You Go?", "All That Trash" is a musical production which inspires students to be good environmental citizens by demonstrating why – and it does it in an extremely fun and engaging way. This theatrical style show also addresses many next generation science standards.

"If there were a grade higher than A+ I would give it. The kids were mesmerized and so was I. I rarely sit through a whole performance at an assembly but could not make myself leave today. What a wonderful message performed by excellent actors."

*-Sandy Schiffner, Principal, Williams Elem. Oxnard, Ca.*

"All That Trash" is appropriate for all elementary grades (even Kindergarten).

To schedule your school's assembly (first come first serve) visit [www.showsthatteach.com/victorville](http://www.showsthatteach.com/victorville) or email [scheduleassemblies@gmail.com](mailto:scheduleassemblies@gmail.com).

# Save the Date!

## VICTORVILLE COMMUNITY CLEANUP DAY

**OCTOBER 25, 2014**  
**8:00 AM - NOON**

### SEEKING SPONSORS & VOLUNTEERS

Take pride in your community. You can make a difference in helping to keep Victorville clean and beautiful!

**Sponsor** the event and have your company logo on the T-Shirts - that's hundreds of walking advertisements.

**Volunteer** a few hours of your time and meet new people, have fun, and get a T-shirt and discount lunch coupon. Turn your applications in early to select your cleanup site.

**FOR MORE INFORMATION CONTACT:**  
John Garcia at (760) 955-5095  
email [jgarcia@victorvilleca.gov](mailto:jgarcia@victorvilleca.gov)  
Lisa McCarrell at (760) 955-4817

You can also download an application  
and waiver form from our website at:  
<http://victorvilleca.gov>  
Quick Link: Community Cleanup

1. All adult volunteers (aged 18 and older) must complete and sign the waiver form.
2. All juvenile volunteers (aged 17 and younger) must complete and sign the waiver form and have a parent/guardian sign the waiver form as well.
3. Middle school volunteers (aged 14 and younger) must have a parent/guardian accompany them on the service project.
4. High School volunteers (aged 15 through 17) may participate without a parent/guardian present, but must have the parent/guardian sign the waiver, and must be part of a school/civic group with adult supervision.
5. Young children are not recommended at this event.

#### **SAFETY RULES & PROCEDURES:**

All volunteers must adhere to the safety rules, behave in an orderly fashion, and refrain from using foul language.

Volunteers must wear closed toe, flat heeled shoes. No sandals, no flip flops, no clogs. Volunteers without closed toe shoes cannot participate in the cleanup. It is also recommended that volunteers wear long pants.

Volunteers must wear gloves when picking up litter and small trash. Volunteers should NOT pick up large, bulky items.

If a volunteer finds appliances, TV's, furniture or other large item, notify your team leader who will make a note of the location and items on the Report Card. These items can be flagged for follow up at a later date by the City.

Do NOT handle any hazardous waste or potentially hazardous materials or items—including motor oil, gasoline, batteries, syringes, guns, or metal or plastic containers that smell or appear to contain noxious material, etc. If you do not know what something is, do not handle it. The location of any hazardous materials should be noted on your Report Card for later follow up by the City's Hazardous Materials Specialist.

**Be aware of spiders and snakes.** DO NOT put hands or feet into bushes, under debris, into tires, or any other places that may harbor snakes or spiders. Use litter sticks to pull litter out of bushes. If you encounter a snake, MOVE AWAY IMMEDIATELY. LEAVE THE AREA. DO NOT POKE AT THE SNAKE. DO NOT THROW OBJECTS AT OR OTHERWISE APPROACH THE SNAKE. Notify your team leader immediately.

**If you find any sort of gun,** DO NOT TOUCH IT. Notify your team leader immediately. Your team leader will notify the event organizers who will arrange for proper disposal and removal.

Watch where you are stepping to avoid nails or broken glass.

Respect private property. Do not go onto any properties posted with "Private Property" or "No trespassing" signs. Do not go onto property behind fences or gates. If you are asked to leave an area by someone claiming to be a property owner, please notify the team leader and leave the area.

Volunteers should NEVER run with a litter stick, or point a litter stick at anyone. They should be held with point down, and handled responsibly. Litter stick should not be used as toys, or swords. Young children SHOULD NOT be given litter sticks—only the plastic grabbing tools.

#### **IF AN INJURY OCCURS:**

The team leader has a basic first aid kit, with band aids, peroxide, etc. Volunteers can use whatever supplies are needed.

If you have any injuries that you feel are an emergency, or are life threatening, you should dial 911 immediately. Your team leader will have a cell phone available.

If you have an injury that is not life threatening, but which you believe requires follow-up care, you should proceed as you normally would to handle any other injury you might incur as a private citizen. You may need to go to urgent care or make an appointment to see your own doctor.

Arranging or paying for medical services or attention is not the responsibility of the City of Victorville, its agents or employees, or any other persons associated with the Victorville Community Cleanup Day.

# Make a YouTube Video

## Due November 21st!

### Who May Enter?

All student groups comprised of K-12 students in public, private, and home schools within Victorville city limits are eligible. Videos must be filmed and created by a student group.

### Identification & Permission Slip

All student groups must turn in an approved entry form for their video and permission forms for each student under age 18 that appears in their video. Entry forms and permission forms should be turned in with your school's Final Report Form on November 21st, 2014.

### Design Theme

Videos can cover any aspect of "Recycling in the City of Victorville." Possible ideas include (1) why recycling is important, (2) how recycling helps the environment, (3) "call to action" message encouraging participation in the City of Victorville's recycling programs, and/or (4) explanation of what items can go into recycling containers.

### Video Specifications

- Videos must be at least 1 minute long but no more than 4 minutes long.
- All videos must be original. Videos taken by anyone other than the student group whose name appears on the video contest entry form will be disqualified.
- Copyrighted characters, such as Superman, or logos, such as sports team's logos, should not be included in the videos. The use of lettering, numbering, or a school logo in any language in the video is not allowed with the exception of the City of Victorville logo.
- Music, humor, and acting are all encouraged to make the message more fun and appealing.

### Deadline & Judging

Videos must be uploaded to YouTube by November 21st, 2014. Videos with at least 100 YouTube views as of 7: 30 a.m. on December 5th, 2014 will qualify as a finalist video. Finalist videos will be evaluated to determine if each meets the minimum requirements and a judging committee will select the Grand Prize video.

### Grand Prize Winner

The Grand Prize student group video will win a cash prize for their school. Winning video and other honorable mentions may be posted on the City website: [www.Victorville Recycles.com](http://www.Victorville Recycles.com).

Please visit the City website at [www.Victorville Recycles.com](http://www.Victorville Recycles.com) and click on "YouTube Video Contest Rules" for full contest rules and information.

# Make A Sculpture

## Due November 12th!

**1. Who May Enter?** All K-12 students in public, private, and home schools within Victorville city limits are eligible.

**2. Your sculpture should be grouped in one of the following four categories for judging: Individuals or teams may create sculptures. No student may have an entry in both divisions.**

- **Kindergarten through 6<sup>th</sup> Grade**
- **7<sup>th</sup> through 12<sup>th</sup> Grade**

**3. Design Theme:** The Judging Committee would like recycled sculptures to creatively and imaginatively express the importance that recycling plays in our lives, the community, and/or in the world. Sculptures may also have a non-recycling theme, as well.

**4. Sculptures** may be abstract or realistic, but non-offensive.

**5. All parts of the sculpture must be securely attached.** Glue, tape, string, wire, and thread are permitted. Hot glued is recommended.

**6. Sculptures may not exceed** 2 feet wide by 2 feet long by 2 feet tall and be self-supporting – able to stand on their own when displayed. If the sculpture must hang, the hanging mechanism must be supplied – nothing can hang on the walls. Please do not use wood for the base – makes structure very heavy to transport.

**7. All materials used must be “clean”**...free of food remains or dirt.

**8. Please use as many recyclable materials as possible.** The items used for your sculpture must be common household recyclables such as aluminum cans, junk mail, tin cans, steel cans, plastics #1-#7, newspaper, cardboard, and cereal boxes. Absolutely no alcoholic beverage or tobacco product containers or packaging. (See attached handout on recyclables.)

**9. DO NOT PAINT the sculpture.** Judges will want to see the actual recyclables and other materials used in the sculpture. Painted recyclables cannot be properly recycled after the competition.

**Deliver Sculptures to: Victorville City Hall, Wednesday, November 12th before 5:30**

# Make A Sculpture

## Due November 12th!

**10. All sculptures must have a title.** Be creative. Use adjectives to describe your title. "The Little Worm" could be "The Squirmy, Wiggly, Wonderful Worm."

**11. Identification:** The following information should be attached to the sculpture on a 3 x5 card: Artist's name(s), school's name, Grade(s), classroom teacher.

**12. Judging:** Sculptures should be taken to the City Recycling Program at Victorville City Hall. The City will furnish each participating school with prizes for your participating students. The first place winning sculptures will compete with other school first place winning sculptures for a chance to win the grand prize.

**13. Sculpture Delivery: Each school's sculptures in individual groups or team groups sculptures should be received no later than Wednesday, November 12, 2014, by 5:30 p.m.** Please have arrangements for delivery firmly in place. You may have to ask a parent to make the sculpture delivery. Please read the recycled sculpture contest rules carefully, as only sculptures that meet the contest rules will be considered. Bring your school's sculptures to the following address:

**2014 Victorville Recycles Week Recycled Sculpture Contest**

**Recycling Program**

**Attn: Dana Armstrong**

**14343 Civic Drive**

**Victorville, CA 92393-5001**

**14. Winners:** A selection of winners will receive the honor of having their sculpture put on display in the City and at the Victor Valley Materials Recovery Facility for one year. Photos of the winning sculptures will also be displayed on the City website: [www.VictorvilleRecycles.com](http://www.VictorvilleRecycles.com).

**15. Judging Criteria:**

1. Originality, Creativity– Use of items that most would not think of using.
2. Sculpture Title– Depicts what is seen.
3. Naturally Colorful– Painting of recyclables is not accepted.
4. Aesthetics– How it "looks"; Is it put together nicely?
5. Use of many different kinds of recyclables– A list of recyclables used in the sculpture should be included.

**Please Note: If your students/school would like sculptures returned back to them, please notify Sharon Mitchell prior to dropping off your sculptures. Otherwise, all sculptures submitted become the property of the City of Victorville Recycling Program and will not be returned.**

**RECYCLE BOWL**  
COMPETITION

## SCORE BIG & WIN!

Find a bin. Make an impact. Take the title.

### What is Recycle-Bowl?

Keep America Beautiful's Recycle-Bowl is the nation's largest free competition for K-12 schools to promote recycling. Whether a school has an extensive recycling program or is just launching basic recycling collections, Recycle-Bowl is an excellent way for teachers, student green teams and facility managers to engage their school community in hands-on experiential education in a fun and friendly way.

### Who's eligible?

The competition is open to all elementary, middle and high schools. Public, private and charter schools are eligible. Recycle-Bowl participants track and report how much material they collect during the four-week competition time frame.

One school in each state (and the District of Columbia) that collects the most recyclable material per capita wins a cash prize. A national champion is then chosen from the top statewide winners to receive a grand prize. Schools that host a community recycling drop-off program or bring material from home compete in a separate category for cash prizes.

### Competition Time frame

- Competition Dates: Mid-October to Mid-November
- America Recycles Day: November 15
- Recycling Reports Due: Mid-December
- Winners Announced: Early February

# Recycle Using Blue Bin

IT'S AS EASY AS 1-2-3!!!

**1) Place the items you discard every day, that can be recycled, in the classroom, office or cafeteria blue recycling containers.**

**2) Collect all of the recyclables from the blue recycling containers every day or several times a week by using a cart or barrel.**

**3) Have custodians place all of the recyclables collected from your cart or blue barrel in the white recycling dumpster at school.**

## Create a School Recycling Plan

**A recycling plan form will be provided to help you create a recycling plan for your school**

**Provide copies of your School Recycling Plan to teachers, office staff, custodians, and cafeteria staff**

**To learn more about starting a recycling program at your school or to enhance your current recycling program, call Sharon Mitchell, Burrtec Waste Municipal Program Coordinator, at (760) 245-8607.**
