Water Conservation Update

Mandatory Stage 2 Water Restrictions Are Still In Effect

On February 2, 2016, the State Water Resources Control Board extended mandatory restrictions on urban water use through October 2016.

The drought is not over! Recent El Niño rains and snow have been less than expected and have not ended the drought. Your help and cooperation is needed to conserve water and comply with the State conservation mandate.

Water Conservation Rebate Programs

The CA Department of Water Resources (DWR) has two rebate programs for residents:

- **TOILET REBATE:** Receive up to \$100 by replacing your old toilet with a new, water efficient model.
- **TURF REMOVAL REBATE:** Receive up to \$2,000 for removing your water guzzling turf and replacing it with water efficient landscaping.

For more information, go to www.SaveOurWaterRebates.com.

Victorville Water District SUMMARY OF OUTDOOR WATERING RESTRICTIONS

Addresses ending with 0, 2, 4, 6, or 8	Addresses ending with 1, 3, 5, 7, or 9
