

Backyard Composting Workshop

**Tuesday, July 10 at 6:00 PM
Victorville City Hall, Conference Room D
(14343 Civic Drive, Victorville)**

Learn how to turn your Green Waste into Brown Gold.

Backyard Composting is helping nature speed up the process of decomposition, turning yard waste and kitchen scraps into valuable compost. The 45-60 minute workshop covers the basics of composting, compost bins, and how to use the finished product.

Seating is limited. For more information and/or to RSVP, contact
