**CITY OF VICTORVILLE ANNOUNCES SUMMER RECREATION PROGRAMS AND ACTIVITIES**

*Hundreds of Choices Available in Summer "Rec Pages & City Guide"*

Looking for a cool summer camp for your kids? Do you want to learn a new sport or train to become a lifeguard? The City of Victorville's Recreation Program offers hundreds of summer programs, classes and activities for youth, teens and adults.

Information about the many offerings can be found in the Summer Edition of Victorville's "Rec Pages & City Guide," which is being distributed to homes this week.

"The City of Victorville Recreation Division has something for just about everyone," stated Glenn Salas, Recreation Manager for the City of Victorville. "If you or your kids want to learn how to swim, play, dance, or compete in sports; then you'll find something of interest in the Rec Pages!"

According to Salas, swim lessons are one of the most popular summer activities. He advises anyone interested in the swim program to register quickly. Swim classes are offered for ages six months to adult. Recreation swim is also offered for just \$2 per person throughout the summer.

A variety of youth summer camps and affordable sports such as basketball are available.

The "Rec Pages" also includes information about City of Victorville services, parks facilities, new developments, and upcoming special events.

The "Rec Pages and City Guide" is also available online at: [www.VictorvilleRec.com](http://www.VictorvilleRec.com). Additional copies of the Guide are available at Victorville City Hall, the Victorville City Library, and Hook Community Center.

For more information about City of Victorville recreation programs, go to: [www.VictorvilleRec.com](http://www.VictorvilleRec.com) or call Hook Community Center at 760-245-5551.
