You are subject to these terms and conditions until such time you discontinue your EFT payments. By completing and signing the enrollment form, you are confirming that you accept these Terms and Conditions including any future modifications thereof.

Contact Information:

It is your responsibility to ensure that the City has all the current information should you make any changes to your bank account including, but not limited to, changing banks, changing account numbers, any personal information such as a name change on your bank account, address, phone numbers, and email address.

In order to participate in EFT payment service from your bank account, you must have a current/valid U.S. bank account at a financial institution where the payment will be withdrawn. Your City of Victorville utility account must be an active account and the name on the City utility account must match the name on your banking account.

Your Commitment To Us:

It is your responsibility to ensure there are sufficient funds available in your checking or savings account to meet each withdrawal on your due date. If there are insufficient funds in your account, your financial institution and City of Victorville may charge you a fee and/or interest. You are solely responsible for paying any fee and/or interest charged by your financial institution and/or City of Victorville. Check your account statement to verify that the amounts debited from your account are correct.

Advise us if the payment account is transferred or closed, or if the account details change no later than thirty (30) business days before your next due date.

Arrange an alternate payment method if you cancel the scheduled withdrawal.

Payment Obligations:

On your due date, we will deduct your outstanding balance owed from the payment account you designate.
