RULES OF PARTICIPATION

November 5th - 9th

Eligibility

**Participation
is FREE!**

Any school, public or private, in Victorville city limits may participate in The City of Victorville Recycles Week 2018. By participating in Recycle Week your school will be contributing to a citywide campaign to promote recycling and buying recycled and competing for cash prizes. ("Buying recycled" is the purchase of products that contain recycled content.)

The City of Victorville Recycles Week Committee will judge each school according to the specific criteria outlined below. The number one school receiving the most points will be awarded a \$1,000 cash prize. Second & Third place point schools will win cash, too. Bonus prizes will also be awarded to three participating schools. The school to collect and redeem the most bottles & cans during a two week period (Oct 29 - Nov 9), will be eligible to win a CRV cash award. (To be eligible for the CRV Prize—schools must provide copies of dated redemption receipts or participate in CRV Bin Program.) Cash awards are to be used for educational or environmental programs.

IN-CLASS PRESENTATIONS

Sign-Up Today!

Presentations are FREE and include subjects regarding natural resource conservation via recycling, how to recycle, what materials can be recycled and how to increase recycling and reduce waste.

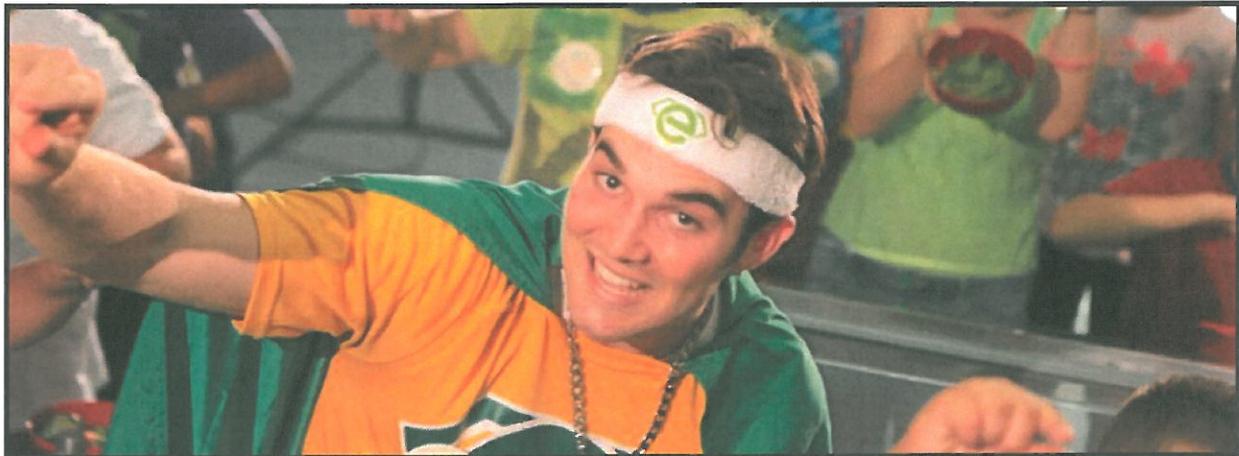

To learn more or to schedule in-class presentations for your school, contact our Program Coordinator via email at education@burrtec.com

FREE RECYCLING ASSEMBLY

Sign-Up Today!

Don't miss out and sign up for a **FREE** recycling assembly by Mr. Eco ("The EcoHero Show"). The assembly is suitable for elementary schools, grades K-5/6. Assemblies are "first come, first served" limited to the first 15 schools that call to book a show.

Mr. Eco - "The EcoHero Show"

Mr. Eco's environmental education program centers around a 45 minute assembly called "The EcoHero Show." Through engaging hip-hop music videos using the universal love for animals and superheroes, Mr. Eco empowers students to become EcoHeroes at school and at home! The EcoHero Show uses a multi-sensory teaching approach. Kids learn green personal behavioral changes they can adopt through music, music videos and a lot of singing and dancing.
