

**CITY OF VICTORVILLE  
NOTICE OF FUNDING AVAILABILITY (NOFA)  
COMMUNITY PLANNING AND DEVELOPMENT GRANT PROGRAMS  
FY 2019-2020**

**NOFA:** The City of Victorville is pleased to announce the availability of over \$1,800,000 for FY 2019-2020 for Community Planning and Development programs and projects. Funds under this NOFA are provided by two programs: the Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) Programs.

**COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM:** The Federal Community Planning and Development Act of 1974, as amended, provides Federal Community Development Block Grant funds for projects that promote the development of viable, urban communities by providing decent housing, a suitable living environment and expanded economic opportunities, principally for persons of low and moderate-income. FY 2019-2020 begins July 1, 2019, the City of Victorville estimates receiving approximately \$1,322,839 in CDBG funds. All CDBG funded projects must meet one of the following National Objectives:

- 1) Principally benefit low and moderate-income persons;
- 2) Eliminate slums and blight; or
- 3) Meet an urgent need.

The types of projects and programs which may be considered for funding, subject to National Objectives compliance, include acquisition, disposition, public facilities and improvements, clearance activities, public services, interim assistance, removal of architectural barriers and special economic development activities.

**HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME):** HOME is authorized under Title II of the Cranston-Gonzales National Affordable Housing Act of 1990. HOME funds may be used to develop and support affordable rental housing and homeownership affordability through acquisition, including assistance to homebuyers, new construction, reconstruction or rehabilitation of non-luxury housing with suitable amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses such as financing costs, relocation expenses of any displaced persons, families, businesses, or organizations. HOME funds may also be used to provide tenant-based rental assistance (including security deposits), provide payment of reasonable administrative and planning costs, and to provide for the payment of operating expenses of community housing development organizations (CHDOs).

The City of Victorville has formed a consortium with the Town of Apple Valley in order to meet the threshold of obtaining HOME entitlement status with the U.S. Department of Housing and Urban Development (HUD). The successful formation of this consortium resulted in an annual allocation of HOME funds to both communities. For FY 2019-2020, the Consortium anticipates receiving approximately \$772,660. Of that amount, Victorville and Apple Valley will receive an estimated \$495,352 and \$277,308 respectively.
