I, _____, certify that I am the legal owner of the property listed below located in the City of Victorville. I certify that this property is one of the following:

(Please select one)

- At this time, I as the legal property owner and as reported to the IRS, occupy this property; therefore, it is not a rental unit.
- At this time, this property is family occupied and as reported to the IRS, I do not receive rental income AND I do not claim this property as rental property (therefore not claiming the tax deduction) AND this location is my family member's principle place of residence.

I understand that as long as the physical and mailing address of the property differ, that the City may perceive the property as a rental property.
