PLEASE READ THE FOLLOWING IMPORTANT INFORMATION **PRIOR TO APPLYING FOR YOUR BUSINESS LICENSE:**

- Applications will **only** be accepted online. Paper applications are no longer accepted, no exceptions.
- Anyone conducting business within the Victorville City Limits must first obtain a Business License **prior** to conducting business.
- All businesses **must** have a physical place of business: a P.O. Box or mailing address of the same will **not** be accepted as a business location.
- Please be sure to complete, sign, and submit all required applicable documents in the "Attachment" section located at the end of the online application to avoid delays in processing. Incomplete applications will **not** be accepted.
- It takes time to process the business license application after submittal (2-4 weeks minimum); therefore, you may submit the application while you are in the process of obtaining the applicable documents required. If you did not submit your required documents within the "Attachments" section of the online application, you may submit them via Email, Fax, US Mail or In-Person. The Business License will not be issued until all required documents are received.
- If any of the requirements have not been met, notification will be sent via email **only** regarding the remaining business license requirements.
- After staff has reviewed the online application, a notification will be sent via email advising to log on to the Citizen's Access Portal Account to pay the invoice.
- Fees must be received prior to the issuance of your Business License.
