CONSTRUCTION & DEMOLITION  
**RECYCLING GUIDE**  
FOR THE  
**VICTOR VALLEY**

*Alternatives to Landfill Disposal  
to Reach Recycling Goals*

A Resource Directory for  
Builders and Contractors

Revised May 2020

City of Victorville  
Environmental Programs  
[VictorvilleCA.gov/Recycle](http://VictorvilleCA.gov/Recycle)  
(760) 955-8615

*Victorville*

City of Victorville  
Environmental Programs  
(760) 955-8615  
[www.VictorvilleCA.gov/Recycle](http://www.VictorvilleCA.gov/Recycle)

**Important Notes:**

All information contained in this directory is supplied by service providers. Because the industry is constantly changing, some facilities may have reduced or expanded operations, changed materials they accept, or changed fees charged or prices paid for materials.

Make sure you call ahead to all facilities to verify most recent prices, terms, and hours of operation.

The City of Victorville publishes this guide as a tool to help Businesses doing work in the City of Victorville to find the best options for diversion of their waste stream to recycling options. By including businesses in this guide, the City is not endorsing or recommending any of the listed businesses.

To add reuse or recycling businesses to future editions of this directory, please call the City of Victorville Recycling Program at (760) 955-8615.

## **RECYCLE YOUR CONSTRUCTION WASTE!**

Construction and demolition waste make up a sizable portion of the material that goes to the landfill from the City of Victorville and throughout the State of California. Construction and demolition materials such as concrete, wood, dry-wall, and scrap metal not only CAN be recycled, but beginning in 2011, these materials are required to be recycled, per Victorville and State of California law.

The 2016 California Green Building Standards Code (CALGreen) Sections 4.408 and 5.408 and the City of Victorville Development Code (Title 16, Chapter 5, Article 11) and subsequent updates, require all building permit applicants to develop and submit a Construction Waste Management Plan (CWMP). The CWMP outlines how the applicant will achieve a minimum 65% diversion of non-hazardous construction waste from landfill. In Victorville, construction projects are also required to divert 100% of trees, stumps, rocks, and soils from excavating and land clearing activities.

This Guide was created to help Victor Valley builders divert waste from the landfill. Most of the disposal locations listed in the Guide are less expensive than the landfill. Many facilities offer free drop-off, and the scrap metal vendors will even pay you for your scrap metals.

The City of Victorville Recycling Program is available to help you plan and implement a recycling program to meet City and State Building Code requirements, and save you money. If you have any questions, please call the City of Victorville Recycling Program at 760-955-8615.

Thank you for your efforts to recycle construction and demolition materials. We look forward to working with you.

City of Victorville  
Environmental Programs

## **STOP WASTE BEFORE IT STARTS** **& SAVE MONEY**

### REDUCE

- Use designs that minimize the amount of materials used (advanced framing techniques).
- Avoid “leftovers”—measure twice and cut once.
- Choose materials that are durable so you don’t have to replace as often.
- Use energy efficient practices and products for construction.

### REUSE

- Instead of traditional demolition, consider salvage and deconstruction (taking apart carefully) for reuse.
- Consider remodeling or retrofitting existing buildings for new use.
- Allow time in schedule for salvage and recycling.
- Use salvaged materials in remodeling or construction.
- Donate surplus materials to non-profits or save for use in next job.

### RECYCLE

- Make someone responsible! Assign a crew member to oversee and take responsibility for job site recycling program.
- Recycling can save you money. Disposal costs at recycling facilities are less than at landfill. Extra costs for sorting at job site are offset by lower disposal costs. Sorting time and costs are reduced as your crews become more familiar with recycling process.
- Clean loads are the key to successful recycling. Be sure that your idea of a “clean load” is the same as your recycler’s.
- Request (or require) subcontractors to source separate and participate in your recycling program. Provide subcontractors with information on where to recycle materials.
- Early on, set up the site locations for recycling. Color-code or use large signs to help the crew sort materials correctly.

## **FACILITY/MATERIAL LISTINGS**

Please Note: Call for most up-to-date information on hours, prices, and material requirements.

### **ASBESTOS**

Any debris generated by the demolition of structures is subject to asbestos clearance prior to disposal. A Certified Asbestos Consultant must certify that the debris is not contaminated, prior to disposal at any San Bernardino County Sanitary Landfills.

**All pre-1984 structures and burned structures of any age require certification. Friable Asbestos is accepted only at the following locations:**

Antelope Valley Landfill, Los Angeles County (661) 947-7197  
Bishop Landfill, Inyo County (760) 873-5577  
Lassen Co/Bass Hill Landfill, Lassen County (530) 252-1273  
Ridgecrest - Inyo Kern Landfill, Kern County (805) 327-2111  
Azusa - Azusa Land Reclamation (626) 334-0719

### **ASPHALT/CONCRETE**

#### **Hi-Grade Materials**

2 locations in High Desert Area:  
Hesperia, 17671 Bear Valley Road  
Lucerne Valley, 8701 Meridian Road  
760-244-9325

Accepts concrete and asphalt but need to be separated. Also accepts clean dirt. Rebar OK but must not stick out. No drywall, tile, concrete roof tiles, plaster, block, brick, cinder blocks or other debris. There is a small fee. Call for details.

**Blue Diamond Materials/Sully Miller**

15650 Air Expressway  
Victorville  
760-954-0855  
800-300-4240

Broken clean concrete, asphalt and asphalt grindings only. Rebar ok—but it can not be exposed from the edge. Asphalt and concrete can be mixed. Limit 2'X2' pieces. No block or brick accepted. There is a fee. Call for details.

**Vulcan Materials**

20181 National Trails Highway  
Oro Grande  
626-856-6156

They accept only clean, broken asphalt (2'x2') and asphalt grindings. No dirt, no concrete, no re-bar. No mixed loads. There is a fee. Call for pricing details.

**Robertson's**

(4 locations in region)  
Victorville, 16952 D Street  
Barstow, 2700 East Main Street  
Palmdale, 37790 75th Street  
Lucerne Valley, 36555 CA Highway 18  
1-800-232-3695

Concrete only. No rebar in concrete, no block, or brick. Maximum size of 2'x2'x2'. Material weighed by ton and fee is based on weight. Call for details on fees.

**Emery Concrete & Asphalt Recycling**

Hesperia, 9689 C Avenue  
760-956-1717

Broken concrete, asphalt and asphalt grindings. Also accepts cinder block,

toilets, bricks, pool plaster, and rocks. Surcharge for rebar, metal mesh and other contaminants. Also accepts clean dirt. Dirt must be separate from other materials. There is a fee. Call for more information.

## **BRUSH/GREEN WASTE**

### **American Organics**

20055 Shay Road  
Victorville  
760-246-7946

Brush, tree trimmings, leaves, grass clippings, greenwaste, hay, straw, and sod. No yucca, palms, cactus, treated/painted lumber, or trash. There is a charge to dump items, but less than County landfill. Call for details. See also listing for WOODWASTE/PALLETS.

### **Victor Valley Compost**

#### **Burrtec Waste**

17188 E. Abbey Lane  
Victorville  
760-241-1284

New facility opening July, 2020. Accepts clean wood waste, brush, leaves, garden trimmings, and food waste. No yucca, palms, cactus, treated/painted lumber, trash, etc. Also sells finished compost and mulch.

## **BUILDING MATERIALS & SALVAGE**

### **Habitat for Humanity**

#### **ReStores**

Redlands ReStore  
25948 Business Center Drive, Redlands  
Office: 909-799-6738

Surplus building materials and tools. Doors, lumber, fixtures, toilets, windows, sinks, tiles, appliances, kitchen cabinets, etc. New or used materials.

ALL must be in good condition. Call for conditions of acceptance. Items are either used in constructing houses or are sold at the RESTORE warehouse. Proceeds go to Habitat For Humanity San Bernardino. Note: RESTORE warehouse is open to the public and contractors who wish to purchase building supplies at low cost. Call for more info.

## **CARPET & PADDING**

**Victor Valley Materials Recovery Facility (MRF)**  
17000 Abbey Lane (off of Stoddard Wells Road)  
Victorville  
760-241-1284

Accepts carpet and padding for a fee. See also listings for CORRUGATED CARDBOARD.

## **CORRUGATED CARDBOARD**

**City of Victorville Recycling Drop-off Center**  
15164 Anacapa Road  
Victorville  
760-955-8615

Cardboard and other clean paper, no payment given. See also listings for SCRAP METAL. C&D diversion receipt available. Cubic yards listed. Materials not weighed.

**Victor Valley Materials Recovery Facility (MRF)**  
17000 Abbey Lane (off of Stoddard Wells Road)  
Victorville  
760-241-1284

Corrugated cardboard, and other clean paper. See also listings for SCRAP METAL and CARPET & PADDING.

## **DIRT**

### **Angel Rock & Sand**

13158 Palmdale Road  
Victorville  
760-245-7788

Clean fill dirt only. No trash! No concrete, asphalt, or metal. Some small rock is OK. Call for more info.

### **Emery Concrete & Asphalt Recycling**

Hesperia, 9689 C Avenue  
760-956-1717

Clean fill dirt only. Also accepts asphalt, concrete and misc block, etc. Also see CONCRETE/ASPHALT.

### **Hi-Grade Materials**

2 locations in High Desert Area:  
Hesperia, 17671 Bear Valley Road  
Lucerne Valley, 8701 Meridian Road  
760-244-9325

Accepts clean dirt. Also accepts concrete and asphalt but need to be separated. There is a small fee, call for details. See also listings for CONCRETE & ASPHALT.

## **DRYWALL**

As of May 2020, we are not aware of any Victor Valley companies accepting drywall for recycling. Drywall can be taken to San Bernardino County's Victorville Landfill for disposal. The disposal rate as of May 2020 is \$59.94 per ton. Call the County at 1-800-722-8004 for details.

There are several facilities in the San Bernardino Valley that accept drywall for recycling at reduced rates. Drywall must be free of trash and other non-drywall materials.

**Agua Mansa MRF**

1830 Agua Mansa Road  
Riverside, CA 92509  
951-786-0544  
Disposal Rate of \$60/ton as of May 2020

**West Valley MRF**

13373 Napa Street  
Fontana, CA 92335  
909-899-0911  
Disposal Rate of \$59/ton as of May 2020

**MIXED CONSTRUCTION/DEMOLITION MATERIALS**

**Agua Mansa MRF**

1830 Agua Mansa Road  
Riverside, CA 92509  
951-786-0544  
Disposal Rate of \$60/ton as of May 2020

Customers that bring in mixed C&D for recycling receive a weight ticket indicating their load was accepted as C&D (as long it qualifies—construction and demo type wastes) and a certificate indicating the current diversion from the C&D system.

**West Valley MRF**

13373 Napa Street  
Fontana, CA 92335  
909-899-0911  
Disposal Rate of \$59/ton as of May 2020

Customers that bring in mixed C&D for recycling receive a weight ticket indicating their load was accepted as C&D (as long it qualifies—construction and demo type wastes) and a certificate indicating the current diversion from the C&D system.

## **PAINT**

### **Dunn-Edwards Paints**

12475 Mariposa Rd.  
Victorville, CA 92395  
(800) 735-3527

Dunn-Edwards participates in the PaintCare program. Residents, businesses and contractors can drop off left-over paint and related materials, up to 20 gallons of select materials per day. All paint buckets/cans must have Manufacturers' label. Some restrictions apply—call for details on what is accepted.

See PaintCare's website at [www.paintcare.org](http://www.paintcare.org) for info.

## **SCRAP METAL**

### **City of Victorville Recycling Drop-off Center**

15164 Anacapa Road  
Victorville  
760-955-8615

T.V.'s, computers, appliances, misc E-waste, pieces of scrap metal (no car parts) and lawn furniture. No payment given for scrap metal. See also listing under CORRUGATED CARDBOARD.

### **SA Recycling**

10651 "E" Avenue  
Hesperia  
760-947-5522

All kinds of metal: Industrial, Commercial, C&D, Residential, Government and Military. Roll off service available. State certified Weighmaster. State certified recycler.

**FERROUS:** All steel and iron, posts and rails, beams, steel siding and tin, rebar, farm implements, tanks, file cabinets, chairs, shelving. Certified appli-

ance recycler: washers, dryers, water heaters, stoves and ovens.

NON FERROUS: aluminum, copper, brass, bronze, and stainless steel. Titanium, Inconel, Nichol, Monel. Carbide tools.

**Ecology Recycling**

11099 "G" Avenue  
Hesperia  
760-947-3099

Accept FERROUS and NON-FERROUS metals, including Car bodies, all kinds of scrap metal, aluminum, appliances, 55-gallon barrels, car batteries, tin cans. Also CRV redemption for aluminum cans and plastic bottles. No tires, no wood. Please call for more details on what items are accepted. Will purchase all materials.

**D Street Recycling**

16444 D St.  
Victorville  
760-243-0624

Non-ferrous scrap metal, aluminum, copper, brass, auto batteries. Also CRV glass, plastic, and cans. NO cardboard, steel, tin, or newspaper. Call for hours. Will pay for all materials.

**Victor Valley Materials Recovery Facility (MRF)**

17000 Abbey Lane  
Victorville  
760-241-1284

Drop off for scrap metal items. Small appliances, pieces of scrap metal, T.V.'s, computers, refrigerators, and air conditioners. No car parts. No payment given for scrap metal. See also listing under CORRUGATED CARDBOARD.

## **WOOD WASTE/PALLETS**

### **American Organics**

20055 Shay Road  
Victorville  
760-246-7946

Pallets, lumber, sawdust. Wood must be clean—no painted wood, no treated lumber, plywood or particle board. No telephone poles. See also listed under BRUSH/GREEN WASTE.

### **Apollo Wood Recovery**

7225 Edison Avenue  
Ontario, CA 91762  
909-371-9510

Pallets and all other types of wood waste, plywood, lumber. Call for more details and pricing.

### **Victor Valley Compost**

#### **Burrtec Waste**

17188 E. Abbey Lane  
Victorville  
760-241-1284

Pallets and clean lumber. No plywood, particle-board, or treated/painted wood. There is a charge to dump items. Call for details. See also listing under BRUSH/GREEN WASTE.

### **Meza Pallets**

14619 Merrill Ave.  
Fontana  
909-829-0223

All pallets, broken or not, all sizes for drop off. Will pick up with minimum quantities. Hardwood or softwood, ok. Will pay for usable ones of standard sizes. Also accept 2 x 4 and 4x4 construction lumber. Call for more details.

## **OTHER RESOURCES**

CALMAX website: Go to [www.calrecycle.ca.gov/calmax](http://www.calrecycle.ca.gov/calmax) CALMAX is an on-line portal that provides links to various other on-line waste exchanges throughout the State. Businesses, schools, non-profits, and individuals can search for available materials or look for companies that will accept scrap/waste materials. Think of waste exchanges as a “dating service” for waste!

CALRecycle website: Go to [www.calrecycle.ca.gov/ConDemo](http://www.calrecycle.ca.gov/ConDemo). The State of California Department of Resources Recycling & Recovery (CALRecycle) has extensive on-line resources and publications for construction and demolition debris recycling. There are videos on Best Practices in Waste Reduction and also a C & D Recycling Toolkit for Contractors at [www.calrecycle.ca.govConDemo/Toolkit/](http://www.calrecycle.ca.govConDemo/Toolkit/)

County of San Bernardino Construction & Demolition Waste Recycling Guide & Directory: Go to [http://cms.sbcounty.gov/portals/50/solidwaste/CandD\\_Recycling\\_Guide.pdf](http://cms.sbcounty.gov/portals/50/solidwaste/CandD_Recycling_Guide.pdf) for a copy of the guide from the San Bernardino County Department of Public Works website.

## **HAULING & LANDFILL** **INFORMATION**

### **LANDFILL—VICTORVILLE**

18600 Stoddard Wells Road  
Open Monday-Saturday 8:00 a.m. to 5:00 p.m.

1-800-722-8004

The Victorville Landfill is owned by San Bernardino County and is managed by the San Bernardino County Waste System Division.

As of July 1, 2015, fees to dump waste are a minimum charge of \$13.39 for up to 300 pounds of waste and \$59.94 per ton for amounts over 300 pounds. Fees are doubled for uncovered/unsecured loads. There are special fees for tires and bulky or hard to handle wastes.

### **HAULING SERVICE**

Victorville Disposal  
17080 Stoddard Wells Road  
Victorville  
(760) 245-8607

Victorville Disposal can provide temporary roll-off containers or front loader bins for large and small construction jobs. Sizes range from 3 cubic yards up to 40 cubic yards. Call for pricing details.

Note: Solid waste hauling is a franchised operation in the City of Victorville. Builders and contractors may haul their own wastes to landfills. If a builder/contractor is not able to haul its own solid wastes, however, then it needs to contract with Victorville Disposal for these services. Victorville Disposal is the only hauler authorized and permitted to haul solid waste in the City.

Builders and contractors working outside the City of Victorville may wish to check with the appropriate municipality to determine authorized haulers for these other communities.

**City of Victorville**  
**Construction Site Maintenance & Trash Containment**  
**Requirements**

City of Victorville Development Code, Chapter 5, Article 14, requires trash, rubbish, and/or debris at construction sites to be contained so that there is no accumulation of loose material.

Material must be contained in such a way that it will not be scattered by wind or water.

It is the responsibility of the permittee to provide for construction site maintenance and containment of trash, rubbish, and debris and for the proper removal thereof.

Material may be contained in either bins (dumpsters), or in a fenced in area of at least 100 cubic feet. Fenced area must be securely staked in place and must be emptied when full.

## **HAZARDOUS/UNIVERSAL WASTE**

Hazardous waste items from businesses such as used oil, paint, pesticides, lamps, cathode ray tubes/glass, aerosol cans, batteries, chemicals and e-waste cannot go in the trash or recycling, as this is illegal in California. The CESQG program through the San Bernardino County Fire Department will help you dispose of your hazardous waste properly for a reasonable cost, helping you comply with all applicable local, state, and federal laws and regulations. Contact the San Bernardino County Fire Department at (909) 382-5401 for more information.

## **E-WASTE**

E-waste such as computers, TVs, monitors, copiers, fax machines, cell phones, and other appliances and electronic devices can be recycled. See the listings below for FREE recycling options.

### **City of Victorville Recycling Drop-off Center**

15164 Anacapa Road  
Victorville  
760-955-8615

Accepts E-Waste and other recyclable materials such as metal, cardboard, appliances, etc.

### **Victor Valley Materials Recovery Facility (MRF)**

17000 Abbey Lane (off of Stoddard Wells Road)  
Victorville  
760-241-1284

Accepts E-Waste and other recyclable materials such as metal, cardboard, appliances, etc.

# Attention Victorville Contractors!

**NEED TO RECYCLE?**  
We Have TWO Recycling  
Drop-off Centers To Serve You!

**Victorville Recycling Drop-off Center**  
**15164 Anacapa Rd in Victorville**

**FREE recycling of the following items:**

-  **SCRAP METAL**
-  **TV'S, COMPUTERS, APPLIANCES**
-  **CARDBOARD AND MIXED PAPER**

Be sure to ask for your Diversion Receipt  
when dropping items off at our  
FREE Recycling Drop-off Center.

**OPEN** Monday - Friday: 8 a.m. to 4 p.m.  
Saturday 8:00 a.m to 12 Noon

For more information, call the MRF at (760) 241-1284 or the  
City of Victorville Recycling Program at (760) 955-8615.  
[www.VictorvilleCA.gov/Recycle](http://www.VictorvilleCA.gov/Recycle)

**Visit Our Other Recycling Drop-off!**

**Victor Valley MRF Recycling Center  
17000 Abbey Lane in Victorville**

*(I-15 N, Exit Stoddard Wells Road, on the way to the landfill)*

**Visit the Victor Valley MRF  
BEFORE going to the landfill.**

**Load \$mart - \$ave Money**

**You can drop off the following items for FREE:**

-  **SCRAP METAL**
-  **TV'S, COMPUTERS, APPLIANCES**
-  **CARDBOARD AND PACKING PAPER**

Carpet and padding accepted for a fee.

**The MRF is also a public buy back center for CRV.**

**OPEN Monday - Friday: 8 a.m. to 4 p.m.**

For more information, call the MRF at (760) 241-1284 or the  
City of Victorville Recycling Program at (760) 955-8615.  
[www.VictorvilleCA.gov/Recycle](http://www.VictorvilleCA.gov/Recycle)
