

Where to Donate Surplus Food in the Victor Valley

Information as of 12/1/2020

Call High Desert Second Chance at (442) 267-4444 to arrange for donation of your surplus food.

The High Desert Food Collaborative is a network of local non-profit organizations working together to utilize food sources in our community to meet the needs of our food insecure here in the High Desert. The HDFC works with organizations with surplus food to collect and direct resources to those organizations that serve those that need food. High Desert Second Chance is the lead agency and their warehouse is the central food hub for the High Desert Food Collaborative. To donate surplus food, you can contact High Desert Second Chance, and they will arrange for pick up and donation, OR you can go directly to one of their partner organizations listed below.
