

**CITY OF VICTORVILLE
NOTICE OF FUNDING AVAILABILITY (NOFA)
COMMUNITY PLANNING AND DEVELOPMENT GRANT PROGRAMS
FY 2022-2023**

NOFA: The City of Victorville is pleased to announce the availability of over \$1,900,000 for FY 2022-2023 for Community Planning and Development programs and projects. Funds under this NOFA are provided by two programs: the Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) Programs.

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM: The Federal Community Planning and Development Act of 1974, as amended, provides Federal Community Development Block Grant funds for projects that promote the development of viable, urban communities by providing decent housing, a suitable living environment and expanded economic opportunities, principally for persons of low and moderate-income. For FY 2022-2023, which begins July 1, 2022, the City of Victorville estimates receiving approximately \$1,447,739 in CDBG funds. All CDBG funded projects must meet one of the following National Objectives:

- 1) Principally benefit low and moderate-income persons;
- 2) Eliminate slums and blight; or
- 3) Meet an urgent need.

The types of projects and programs which may be considered for funding, subject to National Objective compliance, include public services, acquisition, disposition, public facilities and improvements, clearance activities, interim assistance, removal of architectural barriers and special economic development activities.

HOME INVESTMENT PARTNERSHIPS PROGRAM (HOME): HOME is authorized under Title II of the Cranston-Gonzales National Affordable Housing Act of 1990. HOME funds may be used to develop and support affordable rental housing and homeownership affordability through acquisition, including assistance to homebuyers, new construction, reconstruction or rehabilitation of non-luxury housing with suitable amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses such as financing costs, relocation expenses of any displaced persons, families, businesses, or organizations. HOME funds may also be used to provide tenant-based rental assistance (including security deposits), provide payment of reasonable administrative and planning costs, and to provide for the payment of operating expenses of community housing development organizations (CHDOs).

The City of Victorville has formed a consortium with the Town of Apple Valley in order to meet the threshold of obtaining HOME entitlement status with the U.S. Department of Housing and Urban Development (HUD). The successful formation of this consortium resulted in an annual allocation of HOME funds to both communities. For FY 2022-2023, the Consortium anticipates receiving approximately \$804,001. Of that amount, Victorville and Apple Valley will receive an estimated \$538,967 and \$265,320 respectively.

APPLICATION ELIGIBILITY: Applications will be evaluated for eligibility based on the City's Consolidated Plan priorities and objectives as well as the CDBG National Objectives and eligibility standards established by HUD and the City of Victorville for both programs. These objectives and standards are outlined in the application instructions package provided with the application package.
