

VICTOR VALLEY Buy Back Recycling Centers

The CRV program is intended to encourage recycling and decrease litter. Consumers pay a small deposit (the CRV--"CA Refund Value") at the checkout stand when they buy beverages in bottles or cans. Later, they can get that CRV back when they take the bottles and cans back to a certified recycling buy-back center. As of January 1, 2007, the refund value at buy back centers is 5 cents on small containers and 10 cents for containers 24 ounces or larger.

WHAT IS INCLUDED?

The CRV now applies to almost all beverage containers for soft drinks, beer, wine coolers, sports drinks, bottle waters, iced coffee, fruit juice drinks, and many more.

WHAT IS EXCLUDED?

The CRV does not apply to containers for milk, medical food/beverages, infant formula, wine, 100% juice in containers 46 ounces or larger, or vegetable juice containers larger than 16 ounces.

WHERE CAN YOU REDEEM CRV CONTAINERS?

You can redeem the CRV containers for cash at any of the more than 2,000 certified recycling buy back centers located throughout California. See the list of Victor Valley locations to the right, or call the CA Department of Conservation Recycling Line at 1-800-RECYCLE (1-800-732-9253) to find the recycling center nearest to you.

Get **CASH**
for your CRV
cans and bottles

It Works!

Get cash for your CRV cans and bottles at any one of these local recycling centers. Call and confirm centers for hours.

Locations as of February 2008.
