Receive and Pay Your Water/Sanitation Bill Electronically

November 2014

Dear Victorville Water & Sanitation Customer:

The City of Victorville is pleased to announce that you can now sign up for paperless billing! Enjoy the convenience of having your water/sanitation bill emailed directly to you.

Benefits of E-billing include:

- Faster and more secure delivery. When your water/sanitation bill is emailed directly to your computer, you avoid the mailing time and any delivery problems or interruptions.
- More convenient. Gone is the hassle of paper statements, writing checks, finding a stamp, mailing your payment, or standing in line to pay.
- Help the environment. Receiving bills through email reduces paper use. This means fewer trees destroyed, and less energy used to make paper, envelopes, transport paper, and finally deliver the bills.

To Make Your Payment Online:

Just go to our website at www.Victorvilleca.gov and click on the Quick Link: Online Payment. You can pay by credit card or by “e-check.”
