

# OLD PILLS PILING UP?

*No Drugs Down the  
Drain Please!*

**UNUSED MEDICINE THAT IS FLUSHED OR  
PUT DOWN THE DRAIN CAN END UP IN OUR  
WATERWAYS AND POLLUTES THE ENVIRONMENT.**

You can make a world of difference by following prescriptions as directed, and then disposing of your unused portions properly.

The City of Victorville and Victor Valley Wastewater Reclamation Authority advise that instead of dumping unused medications down the drain Victorville residents can take them to the Household Hazardous Waste Collection Center near the SB County Fairgrounds.
